

The Tomaree Library and Community Centre (TLACC) is a multi-purpose venue situated in the heart of Salamander Bay, surrounded by ample parking and a short walk from public transport.

The centre boasts six different rooms able to accommodate up to 100 people, modern facilities and multimedia equipment.

A range of groups, services and activities are available on a regular basis, including the library, recreation and social activities, and healthy lifestyle, spiritual, educational, cultural and hobby groups.

For further details related to specific services and activities, please visit Port Stephens Council's website or contact the Centre directly.
