## From "Me2Youtube" Snapshot

*"We have appreciated having opportunities that Guy has provided with having an experience of professional Film and TV shoots... working with young people to see their potential grow."*

*Vicki Hukka*

*The Project was designed by Guy Perrine as a Complimentary community and Youth access series of workshops to encourage local Film makers to enter Projects into the Port Stephens Film Festival & on YouTube.*

*Beginners Filmmakers Mentored by Film Director Guy Perrine of Hook Line and Sinker Productions Inc.*

*A planned outcome for our 'master plan' will see our initial idea continue to grow, and be sustained with the development of the "Fourth Wall Creative Film and Media Production Network" of local performing artist and media practioners.*
