

**Lemon Jam** is the name of a free monthly music event held in Henderson Park, on the Lemon Tree Passage waterfront on the 4<sup>th</sup> Sunday of each month from 12-4pm. Sponsored & funded by a collaboration of Tilligerry Chamber of Commerce, Port Stephens Council & contributions from local businesses, **Lemon Jam** was born 2 yrs ago. The original idea behind **Lemon Jam** was to hold a regular, free event that would bring the community together, showcase local performers (which includes entertainment for all ages, from musicians to cheerleaders to open mic), utilize the assets in the park & simply enjoy the waterfront environment with the added bonus of free entertainment.

## A Snap Shot

**Lemon Jam** is a fine example of local community group collaboration. Every **Lemon Jam** is opened by a local Wor Elder, & if he or she is not available an Acknowledgement of Country is presented. The Chamber of Commerce & LTP Parks, Reserves & Tidy Towns work side by side regularly whether it be to apply for funding to continue to improve the environment, or to do some gardening, clean up the park, or remove graffiti or empty bins. **Lemon Jam** is also working with the Tilligerry Community Association by co-ordinating the main event music for the annual Tilligerry Festival.

**Lemon Jam** is a great family day out with something to entertain everyone - even if it's just watching the boats, putting their boats into the water - that's always entertaining. So if it's a while since you visited Port Stephens' hidden paradise Lemon Tree Passage, bring the family, a picnic rug, some chairs & we'll catch you at **Lemon Jam**.
