

The Gardens Sculpture Prize 2015

This is a public art event that celebrates and supports the local artistic community and has been occurring annually thanks to the generous sponsorship of Port Stephens Council since 2010.

Visitors to Hunter Region Botanic Gardens enjoyed viewing sculptures in an outdoor natural garden setting as well as appreciating smaller sculptures in the indoor gallery. Below are the two winning entries from this year's completion.

Comments from our Visitors Book:

"Fantastic – thank you all"

"Inspiring"

"Have had a beautiful Mother's Day"

Damage from the severe storms of April this year closed The Gardens for two weeks. Volunteers worked tirelessly over this 2 week period to have The Gardens reopened in time to hold the Sculpture Competition and to celebrate Mother's Day.

Hunter Region Botanic Gardens - managed and maintained for the community by volunteers for nearly 30 years.
