PORT STEPHENS LOCAL HOUSING STRATEGY

REPORT OF: STEVEN PEART - STRATEGY & ENVIRONMENT SECTION
MANAGER
GROUP: DEVELOPMENT SERVICES

RECOMMENDATION IS THAT COUNCIL:

- 1) Endorse the draft Port Stephens Local Housing Strategy (Live Port Stephens) for public exhibition for a minimum period of 28 days.
- 2) Note the following update to the consultation section following consultation with the NSW Department of Planning, Industry and Environment (DPIE).

BACKGROUND

The purpose of this report is to inform Council that further consultation with the NSW Department of Planning, Industry and Environment (DPIE) has been undertaken regarding timing of the Port Stephens Local Housing Strategy (Live Port Stephens).

The consultation section of the business paper states that Live Port Stephens will be adopted and endorsed prior to September 2020 to align with the deadline specified by the Greater Newcastle Metropolitan Plan 2036. Through further consultation, DPIE have advised Council that the timeframe for finalisation of Live Port Stephens can be extended beyond September 2020.

The additional timeframe specified by DPIE to finalise Live Port Stephens will be determined in further consultation with DPIE following exhibition. Council will continue to meet the legislative requirement to have the Local Strategic Planning Statement adopted and endorsed by 1 July 2020.
