GUUDJI YIIGU

(GOO-JEE IK-KOO) The Worimi
Traditional Owners' Welcome to Country

The Port Stephens local government area (LGA) is part of the Worimi Aboriginal Nation and is the traditional land of the Worimi. We value the unique status of Aboriginal people as the Traditional Owners and custodians of these lands and waters.

A message from the Mayor

Welcome to Port Stephens Council's 2021–22 Community Funding Program for grants, sponsorships and donations!

This funding program is all about our community – the people who make up this incredible place. As the level of government closest to our community, we're committed to ensuring that everything we do benefits the people of Port Stephens.

Our aim is to promote unity and diversity, create pride in our place, celebrate our culture, improve wellbeing and encourage enterprising opportunities. Ultimately, we want to create a vibrant, thriving place to live, work and play.

One way we can do this is by investing significant funds through our funding programs – something we've been doing for over a decade now.

This year, I'm pleased to introduce 10 funding streams to choose from with over \$300,000 available. This plain language guide explains how to successfully apply for funding from our Council.

Our newest stream, the Local Strengthening Fund, aims to enhance the wellbeing and development of the Port Stephens community.

We also have streams to reinvigorate our streets and neighbourhoods, support local businesses, and enhance the social, cultural, environmental and economic life of our communities.

Whether you're a creative, community group, not-for-profit, businesses or something else – there's a funding stream for you. Read on and be inspired to kick start an event, program, experience or community initiative.

While Port Stephens continues to be impacted by the COVID-19 pandemic, I am encouraged by the resilience our community has shown. It has also given rise to a new wave of creativity, big thinking and joy for living that I can't wait to see expressed in these new initiatives.

We expect this year's applications to be highly competitive so please read the guidelines carefully before applying. I also recommend contacting our team to discuss your project and get some helpful tips for a successful application.

I'm looking forward to seeing all of the amazing initiatives you come up with to make Port Stephens an even better place to live, work and play!

Ryan Palmer
Mayor of Port Stephens
