

Soldiers Point

Spencer Park upgrades

Upgrades are coming to Spencer Park, including a new playspace, amenities, picnic facilities and pathway. Council will be seeking community input on the playground design.

Funding for the replacement of the public amenities block will be from Council and a NSW Government Stronger Country Communities Fund grant has been secured for the upgrade of the playspace, picnic tables and electric BBQ.

Playspace

A new and improved playground will feature inclusive and nature-play elements.

Amenities

A new amenities block featuring unisex and accessible toilets.

Tables, BBQ and Shelters

New picnic settings and a new electric BBQ with shelter.

Pathway

New pathways to connect the playspace, tennis club and public toilets.

Timeline

The project is currently in the Approvals phase with construction due to commence in early 2023.
