## Smart Parking

Smart Parking was approved to be installed at Birubi Headland and Robinson Reserve following the Council's decision on 12 March 2024.

Community feedback collected in late 2023 how Smart Parking will work.

This feedback has meant that there will be new parking regulations and directional signage to address community concerns regarding impacts on neighbouring streets. This feedback also included requests for longer time limits and as a result the bottom car park at Birubi Headland will be 9 hours to allow for longer stays. The remaining parking areas near the surf club and along the beach foreshore will predominately be 4 hours. A map of the extent at Birubi is shown over the page. The introduction of Smart Parking at Anna Bay is projected to raise \$211,000 annually. These funds will be placed in a dedicated reserve, Anna Bay Precinct Smart Parking Reserve, and will go towards the endorsed Infrastructure Program. This program includes the following:

- Carpark redesigns and improvements
- Traffic and parking upgrades
- Shuttle Bus operation to help alleviate congestion during peak holidays
- Events and activations

For more information about how the funds will be spent in Anna Bay go to our dedicated new website page or use the QR code (above left).

The meters and signs are now being installed at Birubi Headland and are expected to be operational in November 2024.

### Park Free permit holder?

Park free permit holders don't need to use the meters but remember that you still need to follow the time restrictions at the location where you have parked. Find out more or to apply for a permit go to [portstephens.nsw.gov.au/smartparking](https://portstephens.nsw.gov.au/smartparking)

## Smart Parking at Birubi Headland and Robinson Reserve

4P = 4 hours

9P = 9 hours

### Visiting the area?

We're making parking easier than ever. No smartphone? No cash? No worries! Park your way. Cash, card, app, the choice is yours.

Don't forget everybody has 15 minutes free – grab your coffee or paper. Smart Parking operates from 8:30am to 5:30pm everyday so you can park free outside of these hours in most places – just make sure you check the signs!
