TITLE: PARKS AND ROADSIDE MEMORIALS POLICY

OWNER: ASSETS SECTION MANAGER

1. PURPOSE:

1.1 To establish a framework that provides Council's position on memorials such as crosses, plaques and the placement of tributary items such as flowers, cards and photographs erected on roadsides, as well as memorials such as seats, plantings and plaques within parks.

2. CONTEXT/BACKGROUND:

2.1 Requests for memorials are becoming more prevalent with the changing cultural practices relating to the memorialisation of the deceased.

2.2 Roadside memorials symbolically mark a location where a person has died as a result of a motor vehicle crash or other road related incident. Structures such as crosses, seats and garden beds or objects such as wreaths, cards, photographs and ornaments are often placed as close as possible to the location of the crash.

2.3 Park memorials are a way of recognising the community's connection with parks. Memorials may add to the cultural and heritage value to the landscape and can help educate the public about significant people and events connected with parks and reserves.

3. SCOPE:

3.1 The placement of roadside memorials is a matter for individual families. Council respects the wishes of families wanting to place memorials and will provide sympathetic advice for people making enquiries of this nature.

3.2 Road Reserve

3.2.1 Council does not encourage the placement of roadside memorials and tributary items, and will not install or maintain memorials on behalf of families or individuals. However, this policy does recognise the social and community benefit of memorials and will approve them if undertaken safely as per the Roadside Memorials Assessment Process, Assessment of Roadside Memorials Guideline and Assessment Template.
