# ORDINARY COUNCIL MEETING - 8 APRIL 2025 MATTER ARISING

# 076 Councillor Giacomo Arnott Councillor Jason Wells

It was resolved that Council:

- Notes that the wording in recommendations where Council is to "endorse" a matter to go on public exhibition could be worded to better reflect that an item is not endorsed by the elected Council until the matter returns from public exhibition.
- 2) Agrees that when a matter is placed on public exhibition in future, the General Manager will ensure that the recommended resolution will "place" a matter on public exhibition rather than "endorse" its placement onto public exhibition.

Those for the Motion: Mayor Leah Anderson, Crs Rosalyn Armstrong, Giacomo Arnott, Chris Doohan, Nathan Errington, Peter Francis, Paul Le Mottee, Ben Niland, Mark Watson and Jason Wells.

Those against the Motion: Nil.

The motion was carried.

#### **BACKGROUND**

The purpose of this report is to seek Council endorsement to place the following draft Integrated Planning and Reporting (IP&R) documents on public exhibition for a period of 28 days and invite submissions in accordance with the Local Government Act 1993 (Local Government Act):

- Community Strategic Plan 2025 to 2035 (ATTACHMENT 1).
- Delivery Program 2025 to 2029 incorporating the Operational Plan 2025 to 2026 (ATTACHMENT 2).
- Fees and Charges 2025 to 2026 (ATTACHMENT 3) and
- Resourcing Strategy 2025 to 2035 incorporating the Workforce Management Strategy 2025 to 2029, Long Term Financial Plan 2025 to 2035 and Strategic Asset Management Plan 2025 to 2035 which will be provided in a Supplementary Report.

### Community Strategic Plan 2025 to 2035 (ATTACHMENT 1)

Following the local government election all councils are required to review and endorse a 10-year Community Strategic Plan (the Plan) prior to 30 June 2025. This is

the highest level of strategic planning that a council will prepare on behalf of the community.

Council is committed to deliver the Plan whilst maintaining financial sustainability for the future.

That said, many of the actions outlined in the Plan extend beyond Council's direct control, involving strong partnerships and effective advocacy with government departments, businesses, agencies and the wider community.

# <u>Delivery Program 2025 to 2029 incorporating the Operational Plan 2025 to 2026</u> (ATTACHMENT 2)

The Delivery Program outlines a 4-year program that Council commits to delivering within the resources available. It translates the Plan's key directions/goals into clear activities and actions.

The Operational Plan is Council's annual action plan which contributes to the 4-year Delivery Program. It outlines what Council proposes to deliver for 2025 to 2029 and which area of Council is responsible for delivery. The Operational Plan is implemented with a supporting annual budget to fund necessary work.

#### Fees and Charges 2025 to 2026 (ATTACHMENT 3)

In accordance with the Local Government Act and other applicable legislation, Council charges and recovers approved fees and charges. These must be reviewed on an annual basis and Council cannot implement these fees and charges until they have been placed on public exhibition and submissions considered.

#### Resourcing Strategy 2025 to 2035

Council needs to be appropriately resourced to implement these plans. The Resourcing Strategy consists of 3 interrelated plans, the Long Term Financial Plan, Strategic Asset Management Plan and Workforce Management Strategy.

The Resourcing Strategy 2025 to 2035 will be available for Council's consideration in a Supplementary Report.

#### **COMMUNITY STRATEGIC PLAN**

Strategic Direction	Delivery Program 2022-2026
Governance	Deliver the Integrated Planning and
	Reporting program.

#### FINANCIAL/RESOURCE IMPLICATIONS

Council is required to adopt the Operational Plan, Long Term Financial Plan and Fees and Charges before 30 June each year and cannot expend funds or charge

fees unless the process, including public exhibition and consideration of submissions is undertaken.

#### LEGAL, POLICY AND RISK IMPLICATIONS

Council is required to undertake integrated planning and reporting activities in accordance with the Local Government Act, Local Government (General) Regulation 2021 (Local Government Regulation) and the NSW Government's Integrated Planning and Reporting Guidelines (IP&R Guidelines) and Handbook (IP&R Handbook) September 2021. Sections 402 to 406 and 608 to 610 of the Local Government Act outline the specific requirements for developing the IP&R documents and Fees and Charges.

In summary, under this legislation and Guidelines, Council is required to:

- Review the Plan before 30 June following the Council election.
- Adopt the IP&R documents prior to 30 June 2025 in order to set the budget and allow for funds to be expended for the following financial year.
- Prepare a long-term strategy (Resourcing Strategy which includes the Long Term Financial Plan, Workforce Management Strategy and Strategic Asset Management Plan) for the provision of resources required to perform its functions.
- Establish a new delivery program after the Council election to cover the principal activities of the council for the 4-year period commencing on 1 July following the election.
- Have its operational plan adopted before the beginning of each year and detail
  the activities to be engaged in by the council during the year as part of the
  delivery program covering that year.
- Set its fees and charges prior to 1 July 2025, and make the rates prior to 1 August 2025.
- Publicly exhibit all of the IP&R documents and Fees and Charges for a period of at least 28 days, considering submissions prior to adoption of the final documents.

#### SUSTAINABILITY IMPLICATIONS

Includes Social, Economic and Environmental Implications

The draft Plan has been developed in alignment with the principles of sustainability and social justice addressing social, economic, environmental and governance factors (quadruple bottom line) through 4 interconnected focus areas: Our Community, Our Place, Our Environment and Our Council.

The 4 focus areas shown provide a structure for planning in each of the documents, enabling Council to address key actions while aiming to holistically meet the community's vision of 'A great lifestyle in a treasured environment'.

#### **COMMUNICATION AND ENGAGEMENT**

Council's Communication and Engagement Strategy uses the IAP2 Framework to identify the level of engagement undertaken. An explanation for each level is shown below.

INFORM	To provide the public with balanced and objective information to assist them in understanding the problems, alternatives,
	opportunities and/or solutions.
CONSULT	To obtain public feedback on analysis, alternatives and/or
	decisions.
INVOLVE	To work directly with the public throughout the process to ensure
	that public concerns and aspirations are consistently understood
	and considered.
COLLABORATE	To partner with the public in each aspect of the decision
	including the development of alternatives and the identification
	of the preferred solution.
EMPOWER	To place final decision-making and/or developed budgets in the
	hands of the public.

The following communication and engagement applies to this report.

### External communications and engagement – prior to Public Exhibition

INVOLVE	Between 2022 and 2024 a number of community engagement initiatives have been undertaken to inform the Plan, these include:
	Communication and Engagement Strategy.
	Community Wellbeing Strategy.
	Local Housing Strategy.
	Port Stephens Coastal Management Program.
	Community Satisfaction Survey 2023 and 2024.
	Business Health Check-In.
	Financial Sustainability (Special Rate Variation).
	Our Port Stephens 2021-2024 Report – updating the
	community on how we are tracking towards achieving the
	2022 to 2032 Community Strategic Plan.
	Liveability Survey 2024.

### External communications and engagement – during and post Public Exhibition

CONSULT	In accordance with local government legislation and our Community
	Engagement Strategy the draft documents will be placed on public
	exhibition for 28 days and will be notified through social media, print
	advertising, Council's website, electronic newsletters and with hard
	copies available for viewing at Council's administration building and
	libraries.

### <u>Internal communications and engagement – prior to Public Exhibition</u>

A multilayered approach to reviewing this suite of IP&R documents occurred via:

- Informing the new Council of the challenges and opportunities identified in Our Port Stephens 2021 to 2024 Report.
- Collaborating with the Mayor and Councillors in November 2024 and February 2025 to understand their priorities and those of their communities.
- Workshopping with Section Managers and the Executive Team to develop the associated IP&R documents to deliver on the Plan.
- Reviewing the Fees and Charges with responsible officers from across the organisation.

(GOO-JEE IK-KOO)

We welcome you to Port Stephens – part of the Worimi Aboriginal Nation. Port Stephens Council acknowledges the Worimi people as traditional owners and custodians of the lands and waterways on which we all live, learn, work and play.

We value and respect the Worimi people and the legacy 60,000 years of Aboriginal Nation traditions and culture brings with it. As part of Council's culture of acceptance, diversification and harmony we walk alongside the Worimi people on a journey of listening and learning.

Together we will strive to make this a better place for all peoples. As guardians of these lands, we ask that you tread lightly to help preserve the biodiversity and respect those who came before as well as those who will follow.

### DRAFT COMMUNITY STRATEGIC PLAN 2025 TO

# Mayor's message

Port Stephens is an incredible place, and we're lucky to call it home. From our stunning beaches to our strong and diverse community – it's a fantastic place to live, work, visit and invest.

To make sure we're building the best future for our community, we've been working on a shared vision for a vibrant and liveable Port Stephens. Council plays an important role in making this happen, but we know we can't do it alone. We're working with government agencies, local business, community groups and other partners to tackle the big priorities that matter most to you.

The revised Community Strategic Plan (the Plan) has been shaped by feedback over the last two years. In November 2024, more than 2300 members of the Port Stephens community shared their thoughts in our Liveability Survey, telling us what they valued most and how they felt about their place. We also had lots of conversations with our community on some big strategies and projects like the Community Wellbeing Strategy, Local Housing Strategy, Coastal Management Program and more.

This Plan reflects what you've told us is most important – wellbeing, improved housing options, investment in better roads and pathways, financial sustainability and making sure you have a say in the decisions that affect your life.

We know the community care about our roads and connections. Whilst as a Council we have

never spent more on our roads and footpaths, the Council will continue to look at ways we can be smart with our resources to increase this investment into the future. We know in the first years of this Plan we will benefit from an additional \$7.1m generated from the Special Rate Variation (SRV) for roads. We will continue to look at ways to increase this funding in a sustainable and responsible way.

The Plan is built around themes – Our Community, Our Place, Our Environment and Our Council. Each theme has clear goals and steps to achieve them, helping us stay on track and measure our progress as we work together for a vibrant future for Port Stephens.

This Plan will be on public exhibition in April and I'd love you to take a look and share your thoughts. It's your chance to shape the future of our community and make sure the work we're doing reflects your priorities.

Let's keep working together to make Port Stephens the best it can be – now and for the future.

Leah Anderson Mayor of Port Stephens

### DRAFT COMMUNITY STRATEGIC PLAN 2025 TO

# General Manager's message

The Community Strategic Plan is the most important strategic document we prepare on behalf of the community. It's shaped around your priorities and aspirations for Port Stephens, creating a clear blueprint for what we aim to achieve as we look ahead to 2035.

Delivering on this plan is our top priority. We're committed to the smart use of our resources, making sure we allocate our budget and effort in a way that supports delivery of key plans, projects and services, all while maintaining financial sustainability for the future.

We're prioritising the areas we've heard are most important to the Port Stephens community. These include investing in our roads and pathways, facilitating diverse and affordable housing options, balancing development with protecting our environment, being financially sustainable, managing our precious coastal areas and genuinely listening to your feedback.

We take responsibility for the decisions we make. However, we recognise that we can't achieve everything in the Community Strategic Plan on our own. Many of the priorities outlined in the Plan extend beyond Council's direct control. That's why strong partnerships and effective advocacy with government departments, businesses, agencies and the wider community are essential to bring this plan to life.

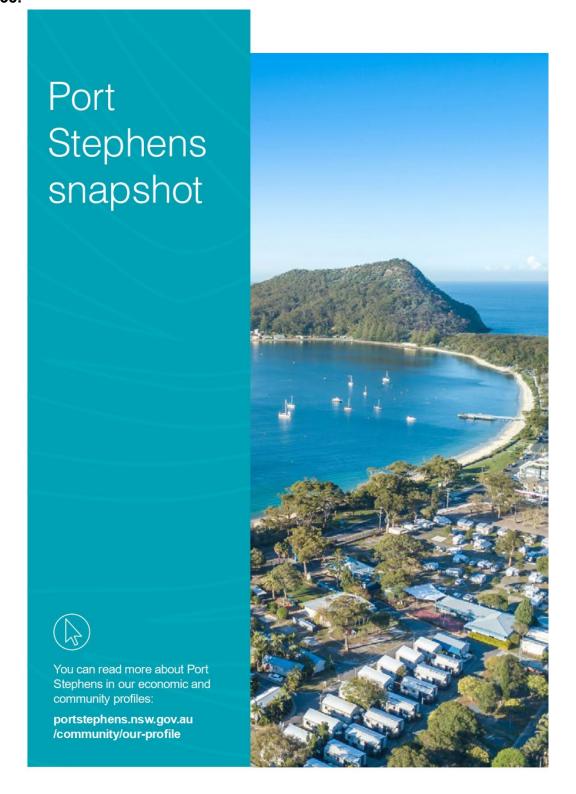

We will also report regularly on the actions taken towards achieving the community's goals outlined in the Plan, ensuring transparency and accountability along the way. These reports will highlight our progress, the challenges we've faced and the outcomes we've achieved. By sharing this information year to year, we can celebrate our success together, identify areas needing more focus and adapt to changing needs and priorities.

I encourage everyone to take some time to read this plan. It's an opportunity to understand Council's direction and how we're working together to build a bright and prosperous future for Port Stephens.

#### Integrated Planning and Reporting Framework

The Integrated Planning and Reporting (IP&R) framework guides the planning and reporting activities of local councils. The requirements for IP&R are set out in the Local Government Act 1993 (the Act) and the Local Government (General) Regulation 2021 (the Regulation) and the NSW Government's IP&R Guidelines and Handbook 2021. The IP&R cycle is aligned with the NSW local government election cycle, with each newly elected Council required to review the Community Strategic Plan and develop a Delivery Program and Operational Plan outlining how Council will respond to the community's priorities.

It helps Council bring its various plans together, understand how they interact and inform each other, ensuring alignment with state and regional priorities. IP&R is at the centre of all council plans, activities, projects, resourcing decisions and improvement strategies. At Port Stephens Council, the Integrated Plans are the Community Strategic Plan, Delivery Program and Operational Plan.

# ITEM 1 - ATTACHMENT 1 DRAFT COMMUNITY STRATEGIC PLAN 2025 TO 2035.

### Community Strategic Plan

At the heart of the IP&R framework is the Community Strategic Plan. The Community Strategic Plan is the highest level strategic plan that a council will prepare on behalf of the community. It identifies the community's priorities and aspirations for the future, outlining actions to achieve these key directions and goals.

The Community Strategic Plan for 2025-2035 focuses on four Focus Areas: Our Community, Our Place, Our Environment and Our Council and is based on social justice principles of equity, access, participation and rights.

The purpose of this Plan is to:

- · Identify the community's main priorities and aspirations over the next 10 years
- · Support community and stakeholders to play an active role in shaping their future
- · Work with other governments and agencies to achieve community priorities
- Outline Council's role in delivering these priorities and assigning resourcing to support delivery while balancing affordability
- · Maintain accountability and transparency in reporting on progress.

#### Monitoring and reporting

We use the following types of indicators to measure our progress in achieving the community's priorities over time:

#### Community indicators

We use these indicators to track trends within our community.

#### Service indicators

We use these indicators to track progress and performance of our service delivery for our community.

#### Other

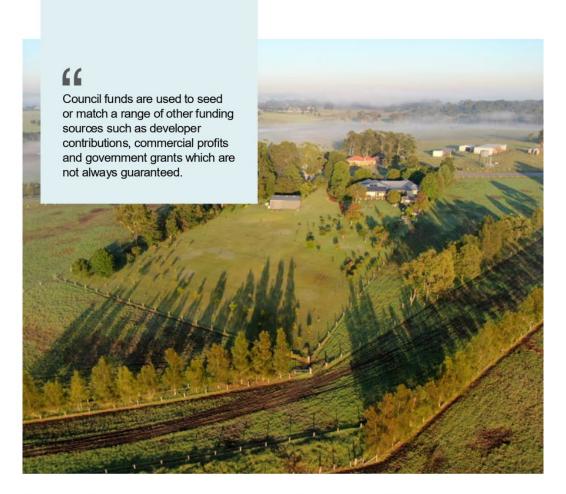

In some areas of Council, additional performance measures may be required by legislation.

We regularly report on Council's performance to ensure the community is informed of how we are tracking towards meeting the community's priorities. We report through:

- · Our Port Stephens Report (replaces the End of Term Report)
- Annual Report
- · Six-month Progress Reports
- · Quarterly Financial Budget Review Statement

### Delivery Program

The Delivery Program is a 4-year program showing how Council will deliver on its business within the resources available. It translates the Plan's key directions into clear actions. Progress on the Delivery Program is reported every six months.

#### Operational Plan

The Operational Plan is an annual plan that outlines the activities and actions to be undertaken during the year to support the 4-year Delivery Program. It includes the annual budget and the work to be undertaken. Achievements of the Operational Plan are reported in the Annual Report.

### Resourcing Strategy

The Resourcing Strategy shows how Council will resource the community's long term vision and aspirations in the Community Strategic Plan in terms of finances, assets and workforce. It includes:

- · Long Term Financial Plan
- Workforce Management Strategy
- · Strategic Asset Management Plan

Council's role in delivering what it can in this Plan is outlined in the Delivery Program, Operational Plan and Resourcing Strategy. Council lists in its Delivery Program and Operational Plan the actions to support the delivery of the Community Strategic Plan.

#### What we have heard

In 2020 and 2024 we partnered with independent research company Place Score to conduct our Liveability Survey. This helps us to understand what people value and how they rate their neighbourhood. The results allow us to focus on the things most valuable to our community, to plan and make decisions that will have the biggest impact on wellbeing. 2,300 people shared their values and rated their neighbourhood in 2024.

#### Our top community values

These are the things most important to you in your ideal neighbourhood.

Elements of natural environment

Sense of neighbourhood safety

Local businesses that provide for daily needs

General condition of public open space

Locally owned and operated businesses

#### Our top strengths

These are the things you care about most and say are performing well. We must continue to celebrate and protect these.

Elements of natural environment

Sense of personal safety

Sense of belonging in the community

#### Our liveability priorities

These are the things most important to you and are areas for us to focus on improving.

General condition of public space

Walking/jogging/bike paths that connect housing to communal amenity

Access and safety of walking, cycling and/or public transport

Evidence of recent public investment

Quality of public space

### Challenges, opportunities and priorities

Community Strategic Plan 2025 to 2035

Council knows that it can't deliver on all of the community's priorities and must partner or advocate to other levels of government, state agencies, private enterprises, community groups, businesses and more to achieve these.

In delivering this plan we can:

#### Deliver

This icon indicates that Council is solely responsible for delivering services and activities that contribute to the Plan. Council delivers a wide range of infrastructure, facilities and services such as waste collection, library services, local roads and public spaces.

#### Partner

This icon indicates that Council shares the responsibility for contributing to the Plan through strategic partnerships with federal and state government agencies or facilitating/supporting a range of other stakeholders to deliver services or facilities.

#### Advocate

This icon indicates that Council advocates to other levels of government to deliver and support services that contribute to the Plan.

### Our partners and stakeholders

Our partners and stakeholders are diverse. Understanding why our partners are important and our importance to them is vital in working together to shape our place. How we work with and engage with these partners is outlined in our Communication & Engagement Strategy.

We welcome you to Port Stephens – part of the Worimi Aboriginal Nation. Port Stephens Council acknowledges the Worimi people as traditional owners and custodians of the lands and waterways on which we all live, learn, work and play.

We value and respect the Worimi people and the legacy 60,000 years of Aboriginal Nation traditions and culture brings with it. As part of Council's culture of acceptance, diversification and harmony we walk alongside the Worimi people on a journey of listening and learning.

Together we will strive to make this a better place for all peoples. As guardians of these lands, we ask that you tread lightly to help preserve the biodiversity and respect those who came before as well as those who will follow.

# General Manager's message

I am pleased to present the Port Stephens Council Delivery Program 2025 to 2029 and Operational Plan 2025 to 2026.

These documents establish the foundations for the future - developed in consultation with our Council and community, they serve as a guide to shaping our community ensuring it remains a great place to live, work, visit and invest

Our priorities are clear – better roads, safer connections, balanced growth, an informed community and financial sustainability.

Over the next four years, we will invest revenue generated from our Special Rate Variation (SRV) into much needed road and pathway improvements, making it easier and safer to move around our towns and villages. We will also be able to use this this SRV revenue for enhanced services related to coastal protection, natural environment and public spaces.

There will be a strong focus on housing and infrastructure to support our growing community. By working with key stakeholders, we'll increase housing diversity, affordability and supply – especially in our town centres close to shops, services and public transport. At the same time, we're planning ahead to ensure the right infrastructure like transport, drainage and public spaces can meet future demand. We will also continue to advocate for increased school and health services from the State and Federal governments to meet our future growth.

As we look to the future, we'll implement key actions from our Coastal Management

Program, Emissions Reduction Plan and Waste Management Strategy. This will help us balance growth while protecting our natural environment – our beaches, waterways and wildlife habitats.

We remain committed to financial sustainability. We'll continue to generate non rate revenue through smart parking, our Holiday Parks and children services, our investment portfolio and external grants. We'll also grow our Resilience Fund to support future strategic projects.

Working with all levels of government, we'll advocate to ensure our community is at the forefront of their future planning, to deliver projects and services valued by our community in the best possible way.

We will continue to work with our elected Council to make progress on the aspirations and priorities of the community. Our guiding principles in achieving this (shown in the diagram below) will be Smart Use of Resources, Owning Our Future and Community Partnerships.

I encourage you to explore the Port Stephens Council Delivery Program 2025 to 2029 and Operational Plan 2025 to 2026 and learn more about the projects and initiatives shaping our community in the years ahead.

Delivery Program 2025 to 2029 and Operational Plan 2025 to 2026 5

# Integrated Planning and Reporting Framework

The Integrated Reporting and Planning (IP&R) framework guides the planning and reporting activities of local councils. The requirements for IP&R are set out in the Local Government Act 1993 (the Act), the Local Government (General) Regulation 2021 (the Regulation) and the NSW Government's IP&R Guidelines and Handbook 2021. The IP&R cycle is aligned with the NSW local government election cycle with each newly elected Council required to review the Community Strategic Plan (CSP) and develop a Delivery Program and Operational Plan outlining how Council will respond to the community's priorities.

At Port Stephens Council, the Integrated Plans are the Community Strategic Plan, Delivery Program and Operational Plan.

# What is the purpose of the Delivery Program and Operational Plan?

### Delivery Program

Each newly elected Council in New South Wales must develop a 4-year Delivery Program to outline how it will contribute to achieving the key directions/ goals of the Community Strategic Plan. The Delivery Program is generally reviewed on a 4-year cycle, in line with the local government election timetable.

At Port Stephens Council, the Community Strategic Plan, Delivery Program and Operational Plans are all founded on a basis of Quadruple Bottom Line (QBL) - social, economic, environmental and governance factors through 4 Focus Areas: 'Our Community, Our Place, Our Environment and Our Council'.

These Focus Areas provide a structure for all of the plans and highlight the key priorities, enabling Council to meet the community's vision of 'A great lifestyle in a treasured environment'.

To deliver on the community's vision,

organisationally our vision is that 'We have a deep respect for the Port Stephens community and work to grow trust, confidence and pride in the outcomes we deliver. We foster an inclusive and supportive culture that encourages both professional and personal growth. We know that each and every one of us is responsible for the sustainable management of our resources. Through a collective effort, we will create a thriving and vibrant place for generations to come.'

This aligns with the overall purpose of our organisation that 'We deliver outcomes valued by our community in the best possible way'. To help deliver on all aspects of the community's aspirations and priorities, our Council forms partnerships with many other government departments, agencies, and private enterprises.

### Operational Plan

The Operational Plan is Council's annual action plan which contributes to the 4-year Delivery Program. It outlines what we propose to deliver for that year and which area of Council is responsible. The Operational Plan is implemented with a supporting annual budget to fund necessary work. Our detailed budget is included in the Long Term Financial Plan which is part of the Resourcing Strategy and should be read in conjunction with the Operational Plan and Delivery Program.

# How will we resource it?

### Resourcing Strategy

The Resourcing Strategy is Council's longterm strategy for how the Integrated Plans will be resourced.

The Resourcing Strategy consists of 3 inter-related documents, the Long Term Financial Plan, Strategic Asset Management Plan and the Workforce Management Strategy which provide more detail on the financial, workforce and asset matters that Council is responsible for.

# How will we know we have succeeded?

### Monitoring performance

At Council, we have several measures and indicators to measure performance and effectiveness.

#### Community and service indicators

These indicators are outlined in the Community Strategic Plan, which over time indicate whether the community is better off as a result of the work that Council, state government, government agencies and other partners have undertaken.

#### Council key result measures

Critical to underpinning everything that we do are 6 key result measures. Appendix 1 provides a further outline of these measures.

#### 1. Service delivery

Target: >95% Integrated Plans delivered on time

#### 2. Community satisfaction

Target: Better than baseline of 3.08 out of 5 (measured as at 2024 Community Satisfaction Survey)

#### 3. Employee wellbeing

Target: >80% employee engagement

#### 4. Risk management

Target: >85% risk management maturity score

#### 5. Asset management

Target: ≥ 100% asset maintenance ratio

#### 6. Financial sustainability

Target: underlying financial result better than budget

# ITEM 1 - ATTACHMENT 2 DRAFT DELIVERY PROGRAM 2025 TO 2029 INCORPORATING THE OPERATIONAL PLAN 2025 TO 2026.

By balancing these 6 key result measures, Council ensures that:

- the community is satisfied with the level of service provided
- · Council has an appropriate risk maturity
- · Council is financially sustainable
- we have engaged employees who deliver on what we say we're going to do
- Council's assets are maintained within an acceptable standard.

#### **Delivery Program measures**

Indicate the progress / performance of the Delivery Plan actions. Read more under each focus area from pages 22 to 51.

#### **Operational Plan effectiveness measures**

Indicate the progress / performance of the Operational Plan actions. For each focus area (Our Community, Our Place, Our Environment, Our Council) and under each Operational Plan action we have a series of measures called our effectiveness measures.

These measures are reviewed each year in accordance with the Operational Plan actions and the relevant program of work to be delivered.

# Reporting on performance

We regularly report on Council's performance to ensure the community is informed of how we are tracking towards meeting the community's priorities. We report through:

- Our Port Stephens report (replaces the End of Term report)
- · Annual report
- Six-month progress reports
- · Quarterly Financial Budget Review Statement

# SECTION 2 Context

### Continuous improvement

Our approach to continuous improvement is based on implementing the Australian Business Excellence Framework (ABEF) (categories, associated actions, guiding principles and methodologies) which ensures that we continually measure and improve how we deliver infrastructure and services that are truly valued by our community. It's about doing the right thing in the best way.

The ABEF is based on a set of 9 universal principles that describe how to continuously improve our systems, processes and relationships, as well as measure our results to achieve sustainability by focusing on:

- having clear direction and knowing how we all contribute to the big picture
- · understanding what our customers value
- · sustainable performance
- · implementing best practice
- · doing our best every single day.

Our continuous improvement philosophy underpins everything we do — it's how we do things at Port Stephens Council.

We're committed to continuous improvement and providing cost effective and efficient services through Council's Service Review Program, Business Improvement Ideas and our Problem/Opportunity 'Plan Do Study Act' program.

### Service Review Program

Our organisation has a history of providing quality services to our customers. We strive to do this using the principles of Best Value. Council's Service Review Program involves analysing our services so that we are clear about the services we offer and that we deliver them in the best possible way.

The purpose of our Service Reviews are to ensure that our services are a reflection of the local community's needs and expectations, both in terms of quality and cost whilst ensuring sustainability.

By applying the Business Excellence philosophy to everything that we do, we enhance our performance and create a better future for the organisation and our community. Through ongoing Service Reviews, our organisation will continuously improve the way it works, specifically, Council takes into account:

- · financial resources and sustainability
- · reviewing services against the best on offer in both the public and private sector
- · assessing value for money in service delivery
- · community expectations and values
- · legislative requirements
- · balancing affordability and accessibility to the community
- · value of partnerships within councils, state and federal government
- · potential environmental advantages for the community.

Our Service Review Program, which commenced in 2011, has a rolling schedule where all 60 service delivery business units (Units) receive a full-service review over a 4 year period with a condensed midpoint (progress review) completed 2 years following a service review. Over this time our Service Review Program has delivered \$7 million in operational savings and continues to ensure our level of service provides value for money to our community.

Our scheduled program is reviewed and approved annually by the Executive Team, where amendments are made to meet any community hot topic or trends that are impacting service delivery.

The Service Review Program is conducted in-house facilitated by our Continuous Improvement Team and supported by cross-functional team representatives from Human Resources, Finance, Risk, Digital Transformation and Governance to ensure a level of rigour, with external peer review and benchmarking sought to support our recommendations. All reviews follow an in-depth process, which allows for consultation and communication with our employees and a thorough approval process prior to any decision being implemented. The Service Review Process is constantly reviewed and benchmarked against other Councils to ensure best practice.

### Our partners and stakeholders

We work with a diverse range of stakeholders in delivering projects and services for our community. Understanding why each stakeholder is important and our importance to them is vital in working together to shape our place.

We use a range of methods to communicate and engage with our stakeholders. Methods differ across stakeholder groups depending on the level of influence they may have. This is outlined in our Communication and Engagement Strategy which is available on our website – portstephens.nsw.gov. au/communication-and-engagement-strategy

### Challenges, opportunities and priorities

Throughout 2023 and 2024 we've also had big conversations with our community about the following key strategies, projects and plans. We've used this feedback to also inform the Community Strategic Plan.

### Long Term Financial Plan

The Long Term Financial Plan (LTFP) is a critical part of Council's future planning. It is a ten-year rolling plan that informs decision-making and demonstrates Council's resourcing and funding of the Integrated Planning and Reporting Suite of documents. It is a tool used by Council to guide future action and aid priority setting and problem solving. The LTFP contains a set of ten-year financial projections based

on a set of assumptions, it is then reviewed and rolled over annually.

Grounded in the principles of sound financial management as outlined in Section 8B of the Local Government Act 1993, the LTFP has its own financial objectives for the organisation in addition to acting as a resource plan.

#### LTFP objectives

#### Annual operating surplus

Strong budget management and governance that achieves a positive operating result before capital grants and contributions build to an underlying 1% surplus over the life of the LTFP.

#### Cash backed reserves

Shockproof cash position to meet unknown impacts as they arise.

#### Sustainable ability to maintain assets and undertake capital works projects

Safeguard funding allocations to prioritise rehabilitation and identify sources of funding for new infrastructure that accounts for full-life asset management and depreciation.

#### Sustainable ability to recruit, retain, develop and inspire talent

Support a balanced approach to workforce planning to ensure a high-performing organisation.

### Overall financial sustainability

Legacy decisions that promote intergenerational equity and achieve community aspirations through consistent prudent and responsible financial management including the Resilience Fund.

#### Special Rate Variation (SRV) enhanced services

Through an established cash reserve Council will expend SRV funding on enhanced services important to the community.

### Workforce Management Strategy

The Workforce Management Strategy (WMS) is a proactive, 4-year document that shapes the capacity and capability of the workforce to achieve council's strategic goals and objectives.

Port Stephens Council's Workforce Management Strategy 2025 to 2029 sets out what type of organisation we need to be and how we plan to get there.

In partnership with Council's Long Term Financial Plan and Strategic Asset Management Plans, the Workforce Management Strategy ensures that there are sufficient resources available in the right place, at the right time, with the right skills to deliver on the community's vision and aspirations for their place.

### Strategic Asset Management Plan

The management of Council's assets is documented through the suite of asset management documents - Asset Management Policy, Strategic Asset Management Plan (SAMP) and Asset Management Plans (AMP).

The purpose of the SAMP is to establish the structure for detailed planning and improvements, processes and structures, which will support long-term asset management well into the future.

The AMP details information for each of Council's asset classes in accordance with the documented framework in the Asset Management Policy. The SAMP is a summary of the information collated from the AMP.

Council is the custodian of infrastructure totalling over \$1.4 billion of noncurrent assets such as roads, footpaths, buildings, drainage, seawalls, surf clubs, jetties fleet, holiday parks, information technology and so on.

The SAMP 2025 to 2035 will be used to achieve Council's actions documented in the Community Strategic Plan primarily under Focus Area - Our Place.

# SECTION 5 Appendices

# Appendix 1: Key result measures

Council deploys 6 key measures to record its performance against targets. The measures are:

#### 1. Service delivery

While the Community Strategic Plan lays out the general priorities for the community, the Delivery Program and Operational Plan detail how Council will deliver these priorities through activities and actions.

Council reports against actions and budgets, detailed in the Delivery Program and the annual Operational Plan through its Annual and Six Monthly reports.

For Council to be successful in this measure: Target: >95% integrated plans delivered on time (which includes delivery of the actions set out in the annual Operational Plan).

#### 2. Community satisfaction

Council's Community Satisfaction Survey provides the community with an opportunity to have their say on how Council is performing and their level of satisfaction with Council's facilities and services.

For Council to be successful in this measure: Target: Better than baseline of 3.08 out of 5 (measured as at 2024 Community Satisfaction Survey)

#### 3. Employee wellbeing

Council's annual employee engagement survey measures an employee's energy and passion, their level of connection to the organisation and their willingness to apply discretionary effort to improve individual and business performance.

Research continues to find that organisations with higher engagement levels also have better talent, operational, customer and financial outcomes.

For Council to be successful in this measure: Target: >80% employee engagement.

56 | Appendix 1: Key result measures

57 | Appendix 2: Statement of revenue policy

#### 4. Risk management maturity score

Council's Enterprise Risk Management Framework assists the Council to understand the broad spectrum of risks facing it in delivering a complex range of services to the community. The Framework provides tools to ensure that risk is appropriately managed.

For Council to be successful in this measure: Target: >85% risk management maturity score.

#### 5. Financial sustainability

Council aims to achieve an underlying financial result that is better than the budget to enable it to be financially sustainable.

For Council to be successful in this measure: Target: underlying financial result better than budget.

#### 6. Asset management

Expenditure on asset maintenance is essential to ensuring assets continue to meet their service delivery requirements. If actual maintenance expenditure is less than the estimated required annual maintenance, a council may not be investing enough funds within the year to stop its infrastructure backlog from growing.

For Council to be successful in this measure: Target: ≥100% asset maintenance ratio.

Required asset maintenance

#### Rating structure

2025-2026 is the final year of a three-year special rate variation (SRV) to ordinary rates in Port Stephens approved by the Independent Pricing and Regulatory Tribunal (IPART) in June 2023. Ordinary rates will increase by 9.5% in 2025-2026. The 9.5% SRV increase includes the 4.5% rate peg increase to ordinary rates.

The following rates are proposed for 2025-2026, and key elements of Council's proposed rating policy are:

- · Use 1 July 2022 base date land values for rating purposes
- · Increase ordinary rates 9.5% under the SRV
- · Retain sub-categories in the residential and farmland categories aligned with the Williamtown Management Area
- Continue to make the farmland rate the same as the residential rate
- · Retain 35% base amounts in the main residential rate category and business rate category

#### Rating of strata lots

Each lot in a strata plan is rated separately but Council will include lots in identical ownership on one rate notice where one lot consists of either a residential unit or residential unit and garage and the other lots consist of either a garage or utility room. A maximum of three (3) separate strata lots can be included on one rate notice where only one lot must contain a residential unit. All lots must be within the same strata plan (or strata complex at Council's discretion). Council will not allow aggregation in any other circumstances including multiple residential units, multiple garages, multiple industrial bays, multiple retail premises and multiple marina berths. Council will allow aggregation of land values where new land values are received and amalgamation or consolidation of parcels owned by the same ratepayer is to occur, and the Valuer-General has confirmed that amalgamation will be approved.

## ITEM 1 - ATTACHMENT 2 DRAFT DELIVERY PROGRAM 2025 TO 2029 INCORPORATING THE OPERATIONAL PLAN 2025 TO 2026.

Council will also allow aggregation of land values with other land in identical names where land is subject to a license or enclosure permit and the Valuer-General has confirmed that amalgamation will be approved. The date of effect of aggregation approval is the date the application was received by Council. The date of effect may be backdated at Council's discretion to the start of the current financial year, if there are exceptional circumstances that prevented the ratepayer from making an earlier application. Aggregation will not be backdated for prior years.

#### Categorisation of land

All land is placed within one of four mandatory categories for rating purposes according to the dominant use of the land: residential, farmland, business and mining. A fifth land category of environmental land has recently been included in the Local Government Act 1993. This land category has not yet commenced and is awaiting proclamation. The land category is printed on the rate notice. Ratepayers may apply for their land category to be reviewed and applications are determined within 40 days. Where a ratepayer applies for their land category to be reviewed and this is approved, the date of effect for rating purposes is the date the application was received by Council. The date of effect may be backdated at Council's discretion, if there are exceptional circumstances that prevented the ratepayer from making an earlier application. Where Council initiates the review of a land category the date of effect shall be no earlier than the date the declaration is posted to the ratepayer.

#### **Exemption from rates**

All land is rateable unless it is exempt under section 555 or section 556 of the Local Government Act 1993. Eligible organisations. (generally public charities) may apply for their land to be made exempt if they believe it to be exempt. Where a ratepayer applies for their land to be made exempt and this is approved, the date of effect for rating purposes is the date the application was received by Council.

The date of effect may be backdated, at Council's discretion, if there are exceptional circumstances that prevented the ratepayer from making an earlier application.

## Exemption from or adjustment to charges

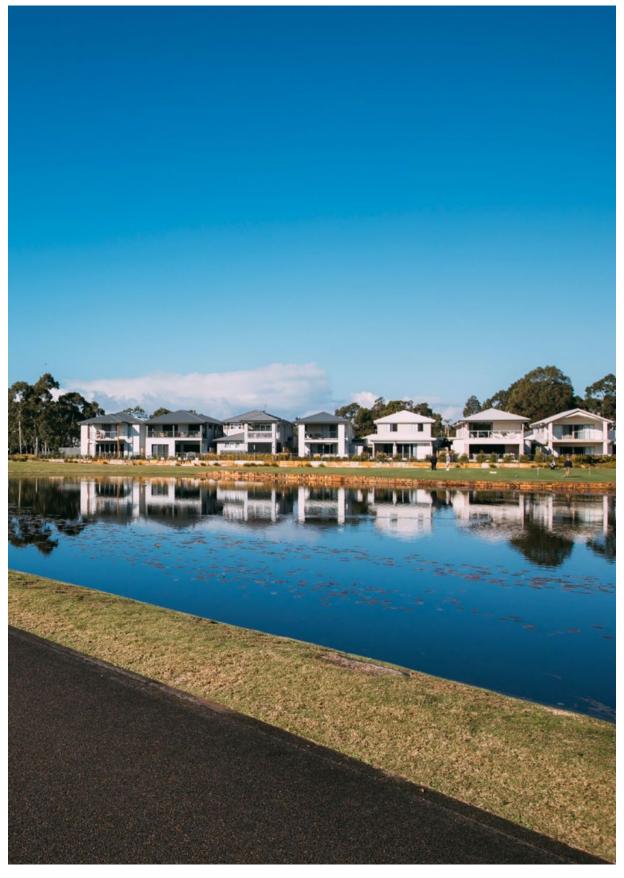

Where a ratepayer applies for annual charges to be reviewed and this is approved, the date of effect for charging purposes is the date the application was received by Council. The date of effect may be backdated at Council's discretion to the start of the current financial year, if there are exceptional circumstances that prevented the ratepayer from making an earlier application. As Council uses contractors for waste collection it is not possible to backdate waste service annual charge removal for prior years where a service was not received or utilised as the contractor costs have already been expended. Where Council initiates the application of annual charges the date of effect shall be no earlier than the date an occupation certificate was issued, or bins delivered, or if the property was omitted from being charged in prior years, the start of the current financial year.

#### **Hunter Local Land Services**

Council includes on its rate notice a catchment contribution collected on behalf of the Hunter Local Land Services. The Local Land Services sets the rate in the dollar around June each year after receiving Ministerial approval. Catchment contributions are collected by Council under the Local Land Services Act 2013 and are passed on to the Service. All rateable land with a land value exceeding \$300 within a defined river catchment area is subject to the contribution.

#### Charges

#### **Fees and Charges**

Council's Fees and Charges are set out in a separate document and follow Council's Pricing Policy for its pricing methodology. Further details on fees and charges as well as proposed borrowings can be found in Council's Long Term Financial Plan.

In accordance with our 4-year Delivery Program, Council proposes a two level waste charge. This charge is reviewed annually in accordance with the Operational Plan. Proposed charges are shown in the table below.

For 2025 to 2026:

#### Waste management charge

A base waste management charge of \$127 will be applied to all rateable properties under sections 496 and 501 of the Local Government Act 1993. This charge contributes toward the management of waste services not delivered to the kerbside such as the waste transfer station, the rehabilitation and environmental monitoring of decommissioned landfill sites and the provision of ancillary waste services including scheduled garden waste, electronic waste, household chemicals, mattresses, dry recycling and tyre drop off events as well as the management of other public place waste services. In the case of properties categorised as farmland, if there is more than one property in the same ownership and run as a single undertaking then the full base charge will be applied to the first property plus a \$1 base charge against each subsequent property.

#### Waste service charge

As required by section 496 of the Local Government Act 1993, a domestic waste service charge of \$573 will be applied to all developed residential properties, whether occupied or unoccupied, including land categorised as 'residential' and 'farmland'.

This charge will entitle the ratepayer to the weekly collection of residual waste using a 240-litre wheelie bin (red bin), fortnightly collection of material for recycling using a 240-litre wheelie bin (yellow bin), fortnightly collection of material for green waste using a 240-litre wheelie bin (green bin) and two on-call bulky/garden waste clean-up services.

A non-domestic waste service charge of \$573 will be applied to each commercial and business property, whether occupied or unoccupied, as authorised by section 501 of the Local Government Act 1993. This charge will entitle the ratepayer to the weekly collection of residual waste using a 240-litre wheelie bin (red bin) and fortnightly collection of materials for recycling using a 240-litre wheelie bin (yellow bin).

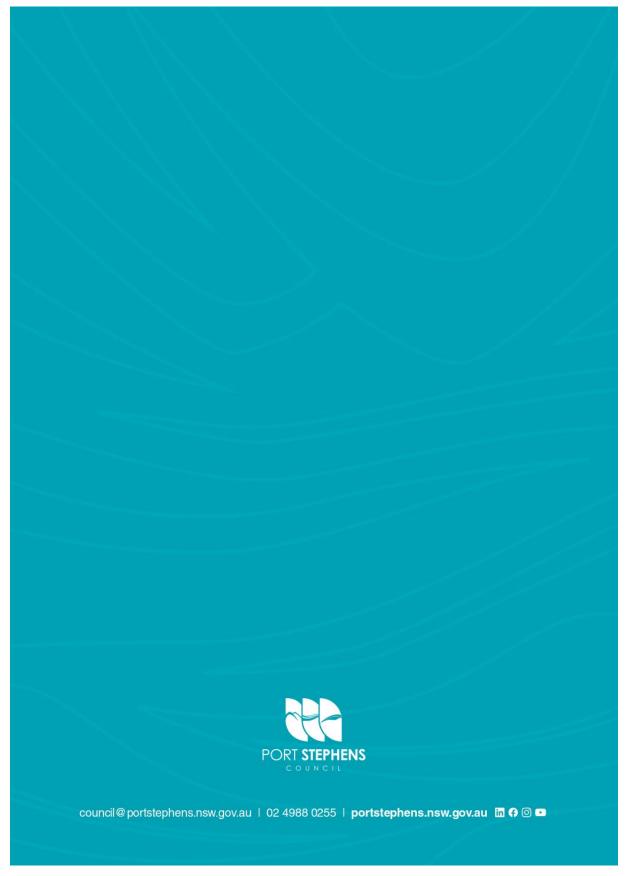

To apply a domestic or non-domestic waste service charge and/or waste management charge, 'property' means any residence, business premises or commercial premises used or capable of being used as a separate premise whether or not situated on the same or separate rateable parcels of land, and whether occupied or unoccupied.

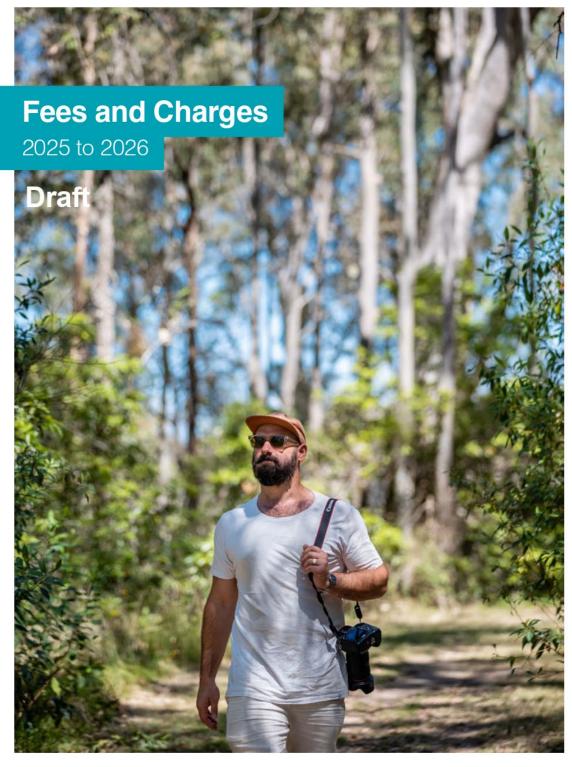

Туре	Proposed charge 2025-2026
Waste management charge	\$127.00 (yield \$4,739,259)
Waste service charge	\$573.00 (yield \$21,341,958)

#### ITEM 1 - ATTACHMENT 3 DRAFT FEES AND CHARGES 2025 TO 2026.

#### **Pricing Policy**

Sections 608-610 of the Local Government Act 1993 authorise Council to charge and recover fees for any service it provides apart from services for which the charging of a fee is prohibited. Council may waive all or part of a fee unless it is a fee regulated directly by the State Government. In determining whether a fee should be charged for a service Council will consider a number of principles, firstly, whether the service provides a public benefit or a private benefit.

A 'public' service is one where there is a general benefit to the community and where there is limited opportunity of collecting a fee, for example, roads and parks.

A 'private' service is one which provides a discernible private benefit to persons and which offers an opportunity of collecting a fee, for example processing a rezoning application. Where a service generates a private benefit then recovery of costs through a fee is appropriate.

#### **Pricing Methods**

Fees and charges made by Council will be classified according to the pricing structures as outlined below. Full cost pricing will apply to all of Council's fees and charges, except in the circumstances outlined in the alternative pricing structures.

#### Full cost pricing

Council will recover all direct and indirect costs of the service (including on-costs, overheads and depreciation of assets employed).

#### Partial cost pricing

Council will recover less than the full cost (as defined above).

Partial cost pricing may be used if shared benefits are derived from the provision of the service that accrue to the community as a whole as well as to individual users. It may also be applied where charging full cost recovery pricing will result in widespread evasion.

The price structure may also be used to stimulate demand for a service in the short term, although foregoing full cost recovery must be for a defined term only.

#### **Statutory pricing**

The price of this service is determined by legislation and dependent on that price, Council may or may not recover its full costs, but has no discretion to do so.

Statutory fees and charges are not required to follow the same approval process as other fees and charges as Council is not responsible for setting the price.

The release date for statutory fees and charges varies dependent on the governing body and often does not align with Council's time frame for releasing its fees and charges each year, in this instance Council will endeavor to update the fee or charge once pricing for the relevant period is made available.

DISCLAIMER: Where a fee (or charge) is a statutory one and where the amount is set outside of Council, then the actual statutory fee (or charge) shall prevail if it is different to the fee (or charge) contained within this schedule.

### **MINUTES ORDINARY COUNCIL - 8 APRIL 2025**

#### ITEM 1 - ATTACHMENT 3 DRAFT FEES AND CHARGES 2025 TO 2026.

#### **Pricing Methods (continued)**

#### **Market pricing**

The price of the service is determined by examining alternative prices of surrounding service providers (this also may or may not recover the full cost of the service).

This pricing structure should apply in cases where the service is in competition with that provided by another council, agency or commercial provider and there is consequent pressure to set a price that will attract adequate usage of the service.

Market pricing should also apply where a service is predominantly provided for Council's in-house use, but sale to external markets will defray costs.

#### Free (zero priced)

Some services may be provided free of charge and the whole cost determined as a community service obligation and may fall within the class of a public good. This price structure may be used where the services provide a broad community benefit; and/or it is impractical or inconceivable to charge for the service on a user basis.

This price structure may also apply where the service is a minor part of the overall operation of Council and the potential for revenue is minimal.

POLICY REVIEW: COMMUNITY GROUP LOANS POLICY

REPORT OF: GLEN PETERKIN - FINANCIAL SERVICES SECTION MANAGER

DIRECTORATE: CORPORATE STRATEGY AND SUPPORT

#### **RECOMMENDATION IS THAT COUNCIL:**

1) Endorse the revised Community Group Loans Policy shown at **(ATTACHMENT 1)**.

- Place the revised Community Group Loans Policy on public exhibition for a period of 28 days and should no submissions be received, the policy be adopted, without a further report to Council.
- 3) Revoke the Community Group Loans Policy dated 26 October 2021, Minute No 286 should no submissions be received.

# ORDINARY COUNCIL MEETING - 8 APRIL 2025 MOTION

0	77	Councillor Giacomo Arnott Councillor Jason Wells
		It was resolved that Council defer the Community Group Loans Policy shown at <b>(ATTACHMENT 1)</b> to allow for further discussion with the Mayor and Councillors.

Those for the Motion: Mayor Leah Anderson, Crs Rosalyn Armstrong, Giacomo Arnott, Chris Doohan, Nathan Errington, Peter Francis, Paul Le Mottee, Ben Niland, Mark Watson and Jason Wells.

Those against the Motion: Nil.

The motion was carried.

#### **BACKGROUND**

The purpose of this report is to seek Council's endorsement of the revised Community Group Loans Policy (the 'policy') (ATTACHMENT 1).

The intent of the policy is to provide community, cultural and sporting groups in the Local Government Area with access to low interest loan funding.

The revised policy was reported to Council at the meeting held on 12 November 2024, Minute No. 216 (ATTACHMENT 2). The item was deferred at that meeting with a request that the General Manager seek feedback from community groups on their potential future use of the policy.

There were 7 responses received with the majority expressing a desire to retain the policy in order to assist with potential future funding to enhance, improve and maintain Council facilities.

The revised policy is being reported back to Council to seek approval to commence the public exhibition process. In addition, Council will continue to raise awareness of the policy with the relevant community groups.

Please note that yellow highlighting in the attached policy indicates an amendment has been made and strikethrough text is to be deleted.

#### **COMMUNITY STRATEGIC PLAN**

Strategic Direction	Delivery Program 2022-2026
Financial Management	Manage implementation of the Long Term Financial Plan 2024 to 2034.

#### FINANCIAL/RESOURCE IMPLICATIONS

The policy has no known financial or resource implications and is within existing budget allocations.

Source of Funds	Yes/No	Funding (\$)	Comment
Existing budget	Yes		
Reserve Funds	No		
Developer Contributions (S7.11)	No		
External Grants	No		
Other	No		

#### **LEGAL, POLICY AND RISK IMPLICATIONS**

No adverse legal, policy or risk implications have been identified as a result of the policy review.

Risk	Risk Ranking	Proposed Treatments	Within Existing Resources?
There is a risk that if the revised policy is not adopted then Council will not have sufficient oversight and control of loans provided to community groups to enhance, improve and maintain Council facilities.	Medium	Adopt the recommendations.	Yes

#### **SUSTAINABILITY IMPLICATIONS**

Includes Social, Economic and Environmental Implications

By Council facilitating reasonable loans as a responsible lender to approved community groups, valuable facilities and services will be provided.

#### CONSULTATION

Council's Communication and Engagement Strategy uses the IAP2 Framework to identify the level of engagement undertaken. An explanation for each level is shown below.

INFORM	To provide the public with balanced and objective information to assist them in understanding the problems, alternatives, opportunities and/or solutions.
CONSULT	To obtain public feedback on analysis, alternatives and/or decisions.
INVOLVE	To work directly with the public throughout the process to ensure that public concerns and aspirations are consistently understood and considered.
COLLABORATE	To partner with the public in each aspect of the decision including the development of alternatives and the identification of the preferred solution.
EMPOWER	To place final decision-making and/or developed budgets in the hands of the public.

The following communication and engagement applies to this report.

## External communications and engagement

CONSULT	Consultation has occurred with the relevant community groups on their potential future use of the policy.

	The policy will be placed on public exhibition for 28 days on Council's website.
	In addition, Council will continue to raise awareness of the policy with the relevant community groups.

#### Internal communications and engagement

Consultation with key stakeholders has been undertaken by the Financial Services Section.

- Assets Section.
- The Executive Team has been consulted to seek management endorsement.

#### **OPTIONS**

- 1) Accept the recommendations.
- 2) Amend the recommendations.
- 3) Reject the recommendations.

#### **ATTACHMENTS**

- 1) Revised Community Group Loans Policy.
- 2) Council Minute No. 216 12 November 2024.

TITLE: COMMUNITY GROUP LOANS POLICY

OWNER: FINANCIAL SERVICES SECTION MANAGER

#### PURPOSE:

1.1 To provide access to funding through the provision of available loans for improvements to community, cultural, sport and recreation facilities in the Port Stephens local government area in an effective and equitable manner.

#### 2. CONTEXT/BACKGROUND:

2.1 This policy applies to groups seeking to develop buildings or facilities that are Council owned, under Council's care, control or management, under Council's Trusteeship, provides services to the local community or responsibility has been devolved to Council by some form of legislation.

#### SCOPE:

- 3.1 The Community and Recreation Loans Reserve will be self-supporting over time with repayments to the reserve used to fund further allocation. The reserves upper limit will be \$200,000.
- 3.2 This policy assists community groups that are operating and providing services in the Port Stephens local government area and enables Council's assets to be enhanced, improved and maintained in a good state of repair.

#### 4. DEFINITIONS:

4.1 An outline of the key definitions of terms included in the policy.

Loan The act of giving money, property or other material

goods to another party in exchange for future repayment of the principal amount along with interest

or other finance charges.

Interest The charge for the privilege of borrowing money,

typically expressed as an annual percentage rate.

#### 5. STATEMENT:

5.1 The Community Group Loans program will provide funding through the provision of available loans for improvements to the community, cultural, sport and recreation facilities in the Port Stephens Local Government Area (LGA).

# 1) Endorse the revised Commercial Operators Policy shown at **(ATTACHMENT 1)**.

- 2) Place the revised Commercial Operators Policy, as amended on public exhibition for a period of 28 days and should no submissions be received, the policy be adopted, without a further report to Council.
- 3) Revoke the Commercial Operators Policy dated 14 September 2021, Minute No. 237 should no submissions be received.

# ORDINARY COUNCIL MEETING - 8 APRIL 2025 MOTION

# Organization Paul Le Mottee Councillor Rosalyn Armstrong It was resolved that Council: 1) Endorse the revised Commercial Operators Policy shown at (ATTACHMENT 1). 2) Place the revised Commercial Operators Policy, as amended on public exhibition for a period of 28 days and should no submissions be received, the policy be adopted, without a further report to Council. 3) Revoke the Commercial Operators Policy dated 14 September 2021, Minute No. 237 should no submissions be received.

Those for the Motion: Mayor Leah Anderson, Crs Rosalyn Armstrong, Chris Doohan, Nathan Errington, Paul Le Mottee, Ben Niland and Mark Watson.

Those against the Motion: Nil.

The motion was carried.

# **BACKGROUND**

The purpose of this report is to seek Council's endorsement of the revised Commercial Operators Policy (policy) as shown in **(ATTACHMENT 1)** on public exhibition.

The revised policy aims to encourage a diversity of users on Council owned and managed land to create vibrant and active places for all people to enjoy.

Please note that yellow highlighting in the attached policy indicates an amendment has been made and strikethrough text is to be deleted.

## **COMMUNITY STRATEGIC PLAN**

Strategic Direction	Delivery Program 2022-2026	
Community Wellbeing	Provide a program of recreational,	
	leisure and community services	

# FINANCIAL/RESOURCE IMPLICATIONS

There are no financial or resource implications from adopting the recommendations. All revenue from licence fees is used to offset the cost of maintaining public open space and the subsequent cost to ratepayers.

Source of Funds	Yes/No	Funding (\$)	Comment
Existing budget	Yes		
Reserve Funds	No		
Developer Contributions (S7.11)	No		
External Grants	No		
Other	No		

# LEGAL, POLICY AND RISK IMPLICATIONS

There are no legal or policy impediments from adopting the recommendations. Any activity on Council land classified as Community Land requires formal approval as per the Local Government Act 1993, Section 47 and 47A.

Risk	Risk Ranking	Proposed Treatments	Within Existing Resources?
There is a risk that not having a Commercial Operators Policy may result in unapproved activities being undertaken on Council land resulting in safety, legal, financial, environmental and reputational damage.	Medium	Adopt the recommendations	Yes
There is a risk that not having a Commercial Operators Policy may result in conflict between prospective operators and the general community resulting in safety and reputational damage.	Low	Adopt the recommendations	Yes
There is a risk that not having a Commercial Operators Policy may result in a lengthy decision making processes when assessing requests for use of Council land. This may result in added costs to small business and reputational damage to Council.	Low	Adopt the recommendations	Yes

# **SUSTAINABILITY IMPLICATIONS**

Includes Social, Economic and Environmental Implications

Adopting the recommendations creates opportunities for people to participate in recreational, educational and creative activities on Council owned and managed land.

Managing the allocation of foreshore and park areas needs to be carefully considered through this policy as these areas attract large numbers of people at peak times and the interaction between passive users and commercial operators has the potential to create conflict.

The local economy benefits from this policy as it allows small to medium enterprises to access Council owned and managed land and conduct their business at reasonable rates for their customers.

This policy, its guidelines and conditions in standard licence agreements ensures that environmental constraints at any given site are fully considered and managed.

## COMMUNICATION AND ENGAGEMENT

Council's Communication and Engagement Strategy uses the IAP2 Framework to identify the level of engagement undertaken. An explanation for each level is shown below.

INFORM	To the public with balanced and objective information to assist them in understanding the problems, alternatives, opportunities and/or solutions.
CONSULT	To obtain public feedback on analysis, alternatives and/or decisions.
INVOLVE	To work directly with the public throughout the process to ensure that public concerns and aspirations are consistently understood and considered.
COLLABORATE	To partner with the public in each aspect of the decision including the development of alternatives and the identification of the preferred solution.
EMPOWER	To place final decision-making and/or developed budgets in the hands of the public.

The following communication and engagement applies to this report.

# External communications and engagement

CONSULT	The policy will be placed on public exhibition for 28 days and will be notified through Council's website.

# Internal communications and engagement

Consultation with key internal stakeholders has been undertaken by the Community Services Section to ensure all stakeholders were able to provide feedback to ensure the accuracy of the information documented within the policy.

TITLE: COMMERCIAL OPERATORS POLICY

OWNER: COMMUNITY SERVICES SECTION MANAGER

#### PURPOSE:

- 1.1 The purpose of the Commercial Operators Policy (policy) is to confirm Council's approach to commercial activities on Council owned and managed land.
- 1.2 The policy aims to achieve well managed commercial operations that create vibrant public spaces, promote community participation and connections, improve the visitor experience and grow the Port Stephens economy.
- 1.3 The policy also provides the framework for a streamlined process for managing the use of Council owned or managed land by private business, markets, events and mobile food/retailers.

#### CONTEXT/BACKGROUND:

- 2.1 Port Stephens has a diverse range of open space including parks, sports fields, foreshores, beaches, and bushland reserves. These open spaces are well suited to a wide range of passive and active uses and, as these open spaces have become more popular, demand has risen for the use of Council owned and managed land to conduct commercial operations.
- 2.2 By ensuring a consistent approach to the approval and management of commercial activities on Council owned or managed land, Council can facilitate the economic and social benefits across the community whilst also ensuring a diversity of quality products complimentary to each location.
- 2.3 The policy aims to achieve well managed commercial operations that create vibrant public spaces, promote community participation and connections, improve the visitor experience and grow the Port Stephens economy.

#### SCOPE:

3.1 The Commercial Operators P policy applies to the management of Commercial Operations within the Port Stephens Council Local Government Area. The total open space deemed suitable for these activities is 490 hectares of Port Stephens Council's total open space provision noted in 5.1 Table 1. (refer to Table 1).

# **Policy**

- 3.2 Commercial Ooperations include both land and water based activities ranging from events, markets, mobile food/retailers, including but not limited to personal and group fitness classes, bicycle hire, surf schools, watercraft hire and lessons in watercraft use and sport adventure activities.
- 3.3 Approval to issue a licence under the Commercial Operators P policy does not negate the need for nor is intended as a substitute for development consent under the Environmental Planning and Assessment Act 1979, where required.
- 3.4 Licenced activities involving the retail sale of food and drink products are required to comply with the relevant legislative provisions of the NSW Food Act 2003, the Australia/NSW Zealand Food Standard Codes and related guidelines and policies, where required.
- 3.5 The Commercial Operators P policy does not apply to commercial operations on land that is not owned or managed by Council. Commercial operations on land that is not owned or managed by Council may require other development approvals.
- 3.6 The policy does not apply to the following activities that may be subject to separate approval processes:
- a) Commercial activities subject to a lease arrangement.
- b) Commercial use of community halls.
- c) Commercial use of sporting facility buildings.
- d) Commercial activities on land that is not owned or managed by Council.
- e) Activities not considered to be a commercial activity.

#### 4. **DEFINITIONS**:

4.1 An outline of the key definitions of terms included in the policy.

Commercial activity To conduct any aspect of a business, or service in order

to provide goods or services to any person for profit or cost recovery on Council's owned and managed land.

#### 5. STATEMENT:

- 5.1 Port Stephens Council will support and facilitate commercial operations on Council owned or managed land that provide economic and community benefit, enhance the local culture and ensure the safety of residents and visitors. In order to achieve this Council will:
- a) permit the use of Council owned and managed land for commercial operations that meet the purpose of the land as defined in the Local Environment Plan, any Plan of Management for the land, the Crown Lands Management Act 2016, the Local Government Act 1993 and the licensing terms and conditions of any specific site
- b) encourage commercial operations on Council owned and managed land that provide economic, social and environmental benefit
- c) ensure Council owned and managed land is used in a safe manner
- d) permit licences for a maximum term of 5 years for the use of Council owned and managed land by approved commercial operators ensuring security of tenure for approved commercial operators. Accordingly, commercial operators shall be offered a licence term for any new licence subject to all requirements of the Local Government Act 1993 and the Crown Lands Management Act 2016 permit 5 year licenses for the use of Council owned and managed land by approved Commercial Operators ensuring security of tenure for approved Commercial Operators. Accordingly, those Commercial Operators shall be offered a 5 year licence term for any new licence subject to all requirements of the Local Government Act 1993 and the Crown Lands Management Act 2016
- e) at Council's sole discretion permit short term licensces for the use of Council owned and managed land by approved commercial operators
- commit to implementing and keeping current terms and conditions that ensure that occupiers of licenced sites do not cause nuisance to neighbours and other stakeholders
- g) assess and apportion licence fees that are determined by market demand and the Setting of Fees and Charges Management Directive
- h) provide locations suitable for site specific commercial operations as listed in Table 1
- as required, Council may initiate a process to identify supplementary sites for land and water based commercial operations to activate a particular location.

Table 1: Council owned and managed land that may be licensced for site specific commercial operations, excluding temporary events and temporary markets (operating less than 4 times per year). Mobile food/retail operator sites will be assessed upon application.

# ORDINARY COUNCIL MEETING - 8 APRIL 2025 MOTION

# 080 Councillor Paul Le Mottee Councillor Nathan Errington

It was resolved that Council:

- 1) Endorse the revised Grants and Donations policy shown in the Supplementary Information at **(ATTACHMENT 1)**.
- 2) Place the revised Grants and Donations policy, as amended on public exhibition for a period of 28 days and should no submissions be received, the policy be adopted, without a further report to Council.
- 3) Revoke the Grants and Donations policy dated 14 September 2021, Minute No. 236 should no submissions be received.

Those for the Motion: Mayor Leah Anderson, Crs Rosalyn Armstrong, Giacomo Arnott, Chris Doohan, Nathan Errington, Peter Francis, Paul Le Mottee, Ben Niland, Mark Watson and Jason Wells.

Those against the Motion: Nil.

The motion was carried.

## **BACKGROUND**

The purpose of this report is to seek Council's endorsement of the revised Grants and Donations Policy (the policy).

The policy has been reviewed as part of Council's ongoing policy review program.

The policy provides a range of financial assistance opportunities funded from the Mayoral and Ward funds, Aboriginal Projects Fund and the annual Community Funding Program (which includes cultural events, heritage and environmental activities).

The objective of this policy is to provide a policy framework to enable Council to provide financial assistance to the Port Stephens community in an equitable and fair manner, whilst ensuring legislative compliance.

The policy has been reviewed and only minor amendments have been made in terms of slightly rewording of the policy as well as an update of available funding opportunities provided by Council.

Please note that yellow highlighting in the attached policy indicates an amendment has been made and strikethrough text is to be deleted.

#### REQUEST FOR FINANCIAL ASSISTANCE

REPORT OF: TIMOTHY CROSDALE - GENERAL MANAGER

DIRECTORATE: GENERAL MANAGER'S OFFICE

#### RECOMMENDATION IS THAT COUNCIL:

1) Approves provision of financial assistance under Section 356 of the Local Government Act 1993 from Mayoral Funds to the following:-

a) Tilligerry Tennis Club – Mayoral funds - \$1,000 donation towards costs of a tennis and pickleball open day.

# ORDINARY COUNCIL MEETING - 8 APRIL 2025 MOTION

# 081 Mayor Leah Anderson Councillor Mark Watson

It was resolved that Council approves provision of financial assistance under Section 356 of the Local Government Act 1993 from Mayoral Funds to the following:-

 Tilligerry Tennis Club – Mayoral funds - \$1,000 donation towards costs of a tennis and pickleball open day.

Those for the Motion: Mayor Leah Anderson, Crs Rosalyn Armstrong, Giacomo Arnott, Chris Doohan, Nathan Errington, Peter Francis, Paul Le Mottee, Ben Niland, Mark Watson and Jason Wells.

Those against the Motion: Nil.

The motion was carried.

#### **BACKGROUND**

The purpose of this report is to determine and, where required, authorise payment of financial assistance to recipients judged by the Mayor and or Councillors as deserving of public funding. The Grants and Donations Policy gives the Mayor and Councillors a wide discretion either to grant or to refuse any requests.

Council's Grants and Donations Policy provides the community, the Mayor and Councillors with a number of options when seeking financial assistance from Council. Those options being:

- 1. Mayoral Funds
- 2. Rapid Response
- 3. Community Financial Assistance Grants (bi-annually)
- 4. Community Capacity Building

Council is unable to grant approval of financial assistance to individuals unless it is performed in accordance with the Local Government Act 1993. This would mean that the financial assistance would need to be included in the Operational Plan or Council would need to advertise for 28 days of its intent to grant approval. Council can make donations to community groups.

The requests for financial assistance are shown below:

#### **MAYORAL FUNDS**

Tilligerry Tennis Club	Tilligerry Tennis Club is a family friendly tennis club that is open to members and the public for court hire.	\$1,000	Donation towards costs of a tennis and pickleball open day.

#### **LEGAL AND POLICY IMPLICATIONS**

To qualify for assistance under Section 356(1) of the Local Government Act 1993, the purpose must assist the Council in the exercise of its functions. Functions under the Act include the provision of community, culture, health, sport and recreation services and facilities.

The Policy interpretation required is whether the Council believes that:

- a) applicants are carrying out a function, which it, the Council, would otherwise undertake.
- b) the funding will directly benefit the community of Port Stephens.
- c) applicants do not act for private gain.

Risk	Risk Ranking	Proposed Treatments	Within Existing Resources?

# NSW ELECTORAL COMMISSION - 2024 LOCAL GOVERNMENT ELECTION REPORT

REPORT OF: TONY WICKHAM - GOVERNANCE SECTION MANAGER

DIRECTORATE: GENERAL MANAGER'S OFFICE

#### **BACKGROUND**

The purpose of this report is to provide Council with the NSW Electoral Commission's (NSWEC) Report on the conduct of the 2024 Local Government elections, in particular in relation to Port Stephens Council.

The 2024 Local Government election was conducted by the NSWEC on behalf of Council on 14 September 2024. In accordance with clause 393AA of the Local Government (General) Regulation 2021, the NSWEC Commissioner is required to provide a report on the conduct of the election to the Minister for Local Government within 6 months of the Election Day.

Extract - Clause 393AA, Local Government (General) Regulation 2021:

- (1) After each ordinary election of councillors and each first election for an area after its constitution, the Electoral Commissioner must provide the Minister with a written report on the conduct of the election, including (but not limited to) a report on the following:
- (a) the names of the areas whose elections were conducted by the Electoral Commissioner,
- (b) details of the declared results in those elections,
- (c) details of any requests for recounts of ballot-papers in those elections,
- (d) details of any proceedings commenced in a court or tribunal relating to those elections.
- (e) any recommendations by the Electoral Commissioner to the Minister regarding changes to the Act or this Regulation relating to the conduct of elections.
- (2) The report must be provided to the Minister and displayed on the Electoral Commission's website within 6 months after the election day concerned, unless the Minister is satisfied that special circumstances exist.

The NSWEC has produced 2 reports which are available from the NSWECs website:

1) Report on the conduct of the 2024 NSW Local Government Elections Part 1. Part 1 provides the overall information about the elections across the State, including statistics on number of councils, candidates, councillor positions, number of mayors and councillors elections, number of polls and referendums conducted, number of votes cast and the number of election staff engaged to conduct the election.

2) Report on the conduct of the 2024 Local Government Elections Part 2.

Part 2 provides information about each council area. A copy of the information relevant to Port Stephens Local Government election is shown at (ATTACHMENT 1).

Report on the administration of the 2024 NSW Local Government elections

# About this report

Under section 393AA of the Local Government (General) Regulation 2021, after each ordinary election of councillors, the Electoral Commissioner must provide the Minister with a written report on the conduct of the election. This report is provided with respect to the 2024 NSW Local Government ordinary elections and is presented in two parts.

Part one provides an overview of the elections conducted by the NSW Electoral Commissioner on Saturday, 14 September 2024. It includes aggregated statistical information about the elections, information about voting methods, venues, staffing and funding. It also describes the impact of recent changes to the legislation that governs the conduct of local government elections in New South Wales.

Part one also summarises the integrity and enforcement activities of the Electoral Commission in relation to the conduct of participants in the elections. This work includes the registration of candidates, groups, and third-party campaigners for campaign finance regulation purposes; compliance operations undertaken during the elections; investigating allegations of breaches of electoral law; and any legal proceedings commenced to date in relation to the elections.

Part one also includes recommendations by the Electoral Commissioner for legislative reform around the conduct of local government elections.

Part two provides information about each individual local council election, including candidates, results (of councillor, mayoral, referendum and poll contests as applicable to each council), the breakdown of votes by vote type for councillor elections, as well as staffing and venue numbers by council.

All tables and figures are sourced to NSW Electoral Commission unless stated otherwise.

#### Notes to Part 2

#### Local government area maps

The maps for each council indicate the voting venues for the 2024 NSW Local Government elections (at June 2024). Where a ward or whole council area was uncontested, some voting venues were not subsequently required but are still indicated on the maps.

#### Undivided/divided councils

In New South Wales, an undivided council does not have any wards – all councillors are elected in a single local government area (LGA) by all electors enrolled in the council area. A divided council is split into wards. Councillors are elected by the electors enrolled in each ward to form the council for the whole local government area.

#### Types of elections

#### Councillor election

A local government area is either undivided or divided. A divided council is split into wards, and each ward has its own councillor elections. Councillors in an undivided council are elected by all voters in that council area. Councillors in a divided area are elected to represent each ward within the council area. An equal number of councillors are elected for each ward. The number of councillors elected varies between councils. Councillors were elected for a four-year term, shortened in the case of the September 2024 elections.

#### Mayor election

Mayors can be either elected by the voters (direct or popularly elected mayor) or elected by the new councillors (and from the councillors) following a council election.

Mayors who are elected by the voters serve a four-year term. The election of a mayor by voters and the election of councillors are conducted at the same time but are considered separate elections, with separate ballot papers. For example, if a council has a total of 10 councillors to be elected, and the mayor is elected by the voters, the election for that council would be for nine councillors and one mayor. A candidate can run for both councillor and mayor but, if elected as mayor, they cannot also hold office as a councillor. Where elected by the councillors, the mayor serves a two-year term. At the end of the two-year term the councillors elect a new mayor for the following two years. The NSW Electoral Commission is not involved in the election of mayors by the councillors.

#### Constitutional referendum

A council may decide to conduct a constitutional referendum. A constitutional referendum is required to be conducted to change the constitutional structure of the council. For example, changing the number of councillors, whether to divide the council area into wards or abolish all wards, or determine whether the mayor should be elected by the voters or by the councillors. For a constitutional referendum to pass, a majority of voters in the council area must have voted in support of the proposal. Voting in a constitutional referendum is compulsory and the result is binding on the council. If the constitutional referendum is passed, the result takes effect at the next local government elections.

#### Council poll

A poll is conducted to determine the opinion of electors. A council may decide to conduct a poll on any issue and the result is used by council to guide further planning decisions. The council can poll all voters in the council area or only a portion of voters. Voting in a poll is not compulsory and the result of a poll is not binding on the council.

#### Voting options

The voting options (voting channels) available to electors for the 2024 NSW Local Government elections were:

- in-person voting before election day during the pre-poll period (subject to eligibility)
- by postal vote (subject to eligibility)
- in-person voting on election day
- telephone assisted voting for electors who are blind or have low vision
- declared institution voting at appointed venues (an approved hospital, nursing home or convalescent home which is
  visited by election officials for the purpose of taking votes from residents who are unable to attend a voting centre).
   A declared institution confirms with the NSW Electoral Commission their preference for a visit by election officials or
  to be provided with postal votes to enable their residents to vote.

Each of the individual council election summaries includes a graph showing the number of total formal votes cast by vote type for the councillor election (if contested), grouped as follows:

- ordinary (votes cast at a polling place on election day, includes silent votes)
- pre-poll ordinary (votes cast in person during pre-poll, includes silent votes and votes cast at declared institutions)
- postal
- enrolment (votes cast by electors who enrol and vote on the same day, either during the pre-poll period or on election day)
- NAMAV (name already marked as voted when an elector attends a voting centre and is found to have their name already marked on the authorised roll as having voted but makes a written declaration that they have not voted already at this election)
- telephone assisted votes.

#### Enrolment

Enrolment is as at the close of rolls at 6pm on Monday, 5 August 2024, and for contested councils/wards. Electoral rolls are 'closed' to facilitate confirmation of candidate/nominator eligibility and to enable the authorised roll to be printed. Electors can still enrol after this date and also enrol and vote on the same day during the voting period (if they have identification showing their address).

#### Participation

Turnout is calculated as total votes/enrolment. Participation is the number of electors who attempted to cast a ballot divided by enrolment. It is different from total votes in that it includes electors who cast a declaration vote that was not accepted into the count for some reason.

#### Apparent failure to vote

The failure to vote process had not been completed at the time of producing this report. The number of Apparent failure to vote notices issued is the initial number of notices sent.

# ITEM 2 - ATTACHMENT 1 NSW ELECTORAL COMMISSION - EXTRACT OF THE NSW LOCAL GOVERNMENT ELECTIONS - PART 2.

Report on the administration of the 2024 NSW Local Government elections

#### Venue numbers

The pre-poll centre total published for each council includes the returning officer's office if it was used for the provision of early voting services. The number of declared institutions represents the number of facilities visited by election officials,

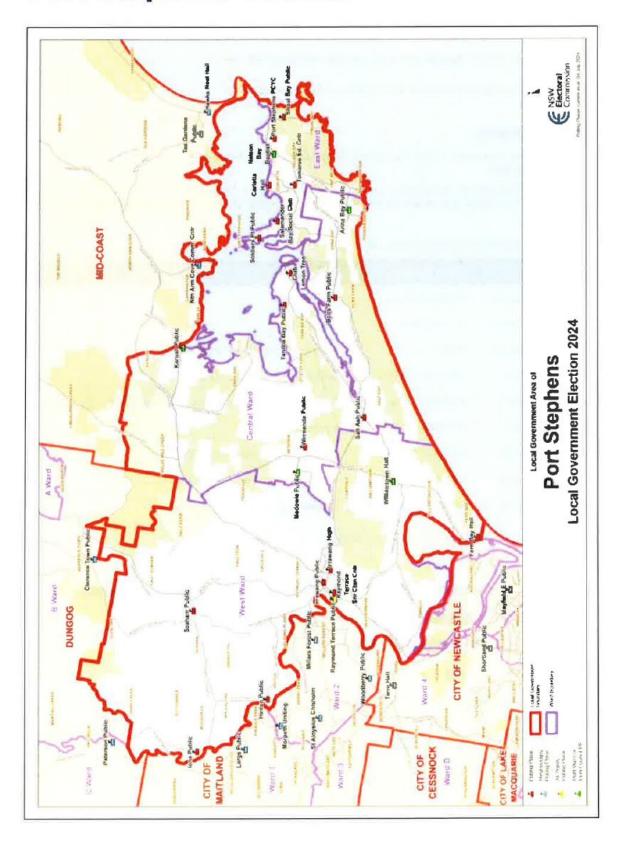

#### Staff numbers

The number of staff shown for each council is the number of staff working at pre-poll venues (excluding where a returning officer's office offered pre-poll voting) and election day polling place staff.

**COUNCIL MEETING CYCLE** 

**COUNCILLOR: PAUL LE MOTTEE** 

### THAT COUNCIL:

- Amend its current Ordinary Council meeting cycle to 1 meeting per calendar month with the exception of January, where no meetings would be held in January.
- 2) The new meeting cycle to take effect from July 2025 and meeting to take place on the 4th Tuesday of each month commencing at 5:30pm, at 116 Adelaide Street, Raymond Terrace, except where resolved to be held at an alternate location.
- 3) Amend the Code of Meeting Practice as follows and place the Code of Meeting Practice on public exhibition for 42 days:
  - "3.5 For the purposes of clause 3.4, notice of a meeting of the Council and of a committee of Council is to be published before the meeting takes place. The notice must be published on the Council's website, and in such other manner that the Council is satisfied is likely to bring notice of the meeting to the attention of as many people as possible. The business paper will be published on the Council website by 10am 8 calendar days prior to the Council meeting."
  - "3.7 The General Manager must send to each Councillor, at least by close of business on the second Friday of each month where meetings are held (with the exception of where an ordinary meeting occurs on a public holiday), a notice specifying the time, date and place at which the meeting is to be held, and the business proposed to be considered at the meeting. Where an ordinary meeting occurs on a public holiday a notice is to be sent to the Mayor and each Councillor 11 calendar days prior to the meeting."

# ORDINARY COUNCIL MEETING - 8 APRIL 2025 MOTION

085	Councillor Paul Le Mottee Councillor Mark Watson
	It was resolved that Council defer the Council Meeting Cycle Notice of Motion for further discussion at a Two Way Conversation.

# BACKGROUND REPORT OF: TONY WICKHAM – GOVERNANCE SECTION MANAGER

### **BACKGROUND**

Council at its meeting held on 22 October 2024, Minute No. 198 (ATTACHMENT 1), resolved:

### That Council:

- Adopt Option 1 as shown in attachment 1 for Ordinary Council meetings for a period of 12 months, with a report to be returned to Council seeking the Council's views on meeting schedules going forward.
- 2) .....
- 3) .....
- 4) .....
- 5) .....

Section 365 of the Local Government Act 1993 requires Council to meet at least 10 times per year (financial year) in different months. Council currently meets on 21 occasions per year. Under the proposed changes associated with the Notice of Motion, Council would meet 11 times per year. Extra-Ordinary Council meetings can be called if required.

Clause 3.1 of the Code of Meeting Practice (the Code) states that the Council shall, by resolution, set the frequency, time, date and place of its ordinary meetings.

Clauses 3.5 and 3.7 of the Code would require amendments as follows:

- "3.5 For the purposes of clause 3.4, notice of a meeting of the Council and of a committee of Council is to be published before the meeting takes place. The notice must be published on the Council's website, and in such other manner that the Council is satisfied is likely to bring notice of the meeting to the attention of as many people as possible. The business paper will be published on the Council website by 10am 8 calendar days prior to the Council meeting."
- "3.7 The General Manager must send to each Councillor, at least by close of business on the second Friday of each month where meetings are held (with the exception of where an ordinary meeting occurs on a public holiday), a notice specifying the time, date and place at which the meeting is to be held, and the

business proposed to be considered at the meeting. Where an ordinary meeting occurs on a public holiday a notice is to be sent to each Councillor 11 calendar days prior to the meeting."

The Code of Meeting Practice would be required to be placed on public exhibition for 28 days and allow 42 days in total for submissions to be received.

The proposed meeting structure and Two Way session timetable is shown at **(ATTACHMENT 2)**.

# BACKGROUND REPORT OF: BROCK LAMONT – STRATEGY & ENVIRONMENT SECTION MANAGER

### **BACKGROUND**

The Port Stephens Local Housing Strategy (LHS) was endorsed by Council on 25 June 2024, Minute No. 144 (ATTACHMENT 1). The LHS includes a Housing Supply Plan (HSP) which provides the mapping of locations for current and future housing opportunity.

As part of the LHS development process, the Department of Planning, Housing and Infrastructure requested that Council include a Strategy Addendum process which would facilitate the addition of potential housing sites that were not mapped as part of the initial HSP. The intent of this process is to ensure that sites can be considered outside of comprehensive strategy reviews.

As the Strategy Addendum Process is a new process for Council, the current Rezoning Request Policy does not make consideration of this process. A review of the Rezoning Request Policy has been commenced as the policy is due for renewal in May 2025.

Should this Notice of Motion be supported, details relating to the public exhibition requirements as they relate to the Strategy Addendum Process would be incorporated into the revised Rezoning Request Policy and reported to Council for consideration.
