

Liveability Survey 2024

Fingal Bay

In late 2024 we partnered with Place Score to conduct our second Liveability Survey. This helps us focus on what matters most to our community, guiding our planning and decision making to have the greatest impact on your wellbeing.

We were able to compare these findings with the results from our 2020 survey to see how priorities have shifted over time.

Fingal Bay in **2024**
93 in 2020

Gender

Age

Our top 5 values for Fingal Bay 2024

Percentage of people who ranked the attributes as important

	2024	2020
Elements of natural environment (natural features, views, vegetation, topography, water, wildlife)	81%	76%
General condition of public open space (street trees, footpaths, parks)	67%	70%
Sense of neighbourhood safety (from crime, traffic, pollution etc.)	65%	61%
Access and safety of walking, cycling and/or public transport (signage, paths, lighting etc.)	62%	57%
Sense of belonging in the community	61%	40%

Liveability score

In 2024 Fingal Bay liveability score decreased to 74 which is consistent with trends across Australia in the post COVID environment.

Liveability Recommendations

Nurture

These are the things you care about most and say are performing well.
We must continue to celebrate and protect these.

- General condition of public open space (streets, trees, footpaths, parks etc.)
- Elements of natural environment (natural features, views, vegetation, topography, water, wildlife etc.)
- Sense of neighbourhood safety (from crime, traffic, pollution etc.)
- Protection of the natural environment
- Quality of public space (footpaths, verges, parks etc.)
- Access and safety of walking, cycling and/or public transport (signage, paths, lighting etc.)
- Sense of belonging in the community
- Access to neighbourhood amenities (cafes, shops, health and wellness services etc)
- Walking/jogging/bike paths that connect housing to communal amenity (shops, parks etc.)
- Sense of personal safety (for all ages, genders, day or night)
- Spaces suitable for specific activities or special interests (entertainment, exercise, dog park, BBQs etc.)
- Locally owned and operated businesses
- Overall visual character of the neighbourhood
- Evidence of community activity (volunteering, gardening, art, community-organised events etc.)
- Free places to sit comfortably by yourself or in small groups
