

# Liveability Survey 2024

Soldiers Point

In late 2024 we partnered with Place Score to conduct our second Liveability Survey. This helps us focus on what matters most to our community, guiding our planning and decision making to have the greatest impact on your wellbeing.

We were able to compare these findings with the results from our 2020 survey to see how priorities have shifted over time.

## Liveability Recommendations

### Nurture

**These are the things you care about most and say are performing well.**  
We must continue to celebrate and protect these.

- Elements of natural environment (natural features, views, vegetation, topography, water, wildlife etc.)
- Local businesses that provide for daily needs (grocery stores, pharmacy, banks etc.)
- Access to neighbourhood amenities (cafes, shops, health and wellness services etc)
- Sense of belonging in the community
- Sense of neighbourhood safety (from crimes, traffic, pollution etc.)
- Spaces suitable for specific activities or special interests (entertainment, exercise, dog park, BBQs etc.)
- Locally owned and operated businesses
- Ease of driving and parking
- Amount of public space (footpaths, verges, parks etc.)
- Overall visual character of the neighbourhood

### Manage

**These are things you care about that need improvement but aren't urgent.**  
We must address them to prevent future challenges.

- General condition of public open space (street trees, footpaths, parks etc.)
- Protection of the natural environment
- Access and safety of walking, cycling and/or public transport (signage, paths, lighting etc.)
- Quality of public space (footpaths, verges, parks etc.)
- Walking/jogging/bike paths that connect housing to communal amenity (shops, parks etc.)
