

# Liveability Survey 2024

Tilligerry Peninsula

In late 2024 we partnered with Place Score to conduct our second Liveability Survey. This helps us focus on what matters most to our community, guiding our planning and decision making to have the greatest impact on your wellbeing.

We were able to compare these findings with the results from our 2020 survey to see how priorities have shifted over time.

## Liveability Recommendations

### Nurture

**These are the things you care about most and say are performing well.**  
We must continue to celebrate and protect these.

- Elements of natural environment (natural features, views, vegetation, topography, water, wildlife etc.)
- Locally owned and operated businesses
- Overall visual character of the neighbourhood
- Sense of belonging in the community

### Manage

**These are things you care about that need improvement but aren't urgent.**  
We must address them to prevent future challenges.

- Access to neighbourhood amenities (cafes, shops, health and wellness services etc.)
- Local businesses that provide for daily needs (grocery stores, pharmacy, banks etc.)
- Quality of public space (footpaths, verges, parks etc.)
- Protection of the natural environment
- Sense of personal safety (for all ages, genders, day or night)
- Walking/jogging/bike paths that connect housing to communal amenity (shops, parks etc.)
- Spaces suitable for specific activities or special interests (entertainment, exercise, dog park, BBQs etc.)

### Prioritise

**These are the things most important to you and are areas for us to focus on improving.**  
We must prioritise these.

- Evidence of recent public investment (roads, parks, schools etc.)
- General condition of public open space (streets, trees, footpaths, parks etc.)
- Sense of neighbourhood safety (from crime, traffic, pollution etc.)
