1. PURPOSE:

1.1 The purpose of this Policy is to provide a framework for the process and assessment of requests to amend the Port Stephens Local Environmental Plan 2013 (LEP 2013) (Rezoning Requests).

2. CONTEXT/BACKGROUND:

2.1 Part 3 of the Environmental Planning and Assessment Act 1979 (the Act) enables Council to prepare and make amendments to the LEP 2013. Generally, amendments consist of changes to zoning, but may also include changes to development standards, or other matters in the LEP 2013 that regulate the use of land.

2.2 When Council is initially requested to amend the LEP 2013 (a Rezoning Request), the Act enables Council to require the provision of studies or other information in order to assess the request. This Policy sets out the process and minimum requirements for Rezoning Requests.

2.3 Before the LEP 2013 can be amended, a Planning Proposal is required to be prepared setting out the justification for the proposed change and an explanation of the intended effect (Planning Proposal). The NSW Department of Planning, Industry & Environment (DPIE) requires Planning Proposals to be prepared in accordance with their published guidelines (Planning Proposals – a guide to preparing Planning Proposals). This Policy is consistent with DPIE requirements.

2.4 The use of delegated authority provides an opportunity for effective and timely decision making in relation to Rezoning Requests, however, it is appropriate that Council is informed of the exercise of delegated authority. In all circumstances, Council may request staff delegation be withdrawn and a Rezoning Request be reported to Council.

2.5 In all circumstances, a final amendment to the LEP 2013 will be reported to Council for adoption prior to being made.

3. SCOPE:

3.1 This Policy applies to all Rezoning Requests.
3.2 This Policy applies to the administration and exercise of Council’s functions under Division 3.4 of Part 3 of the Act.
