TITLE: PUBLIC ART POLICY

OWNER: COMMUNICATIONS SECTION MANAGER

1. PURPOSE:

- 1.1 Port Stephens Council is committed to increasing the wellbeing and liveability of the Port Stephens community. Creating better spaces and better places that celebrate creativity and culture is part of this commitment.
- 1.2 The Public Art Policy and related Public Art Guidelines provides Council with a framework to approve or commission public art projects in the public domain.
- 1.3 The policy details a best practice approach to manage public art procurement and management to maximise the social and economic benefits and create high quality public spaces.

2. CONTEXT/BACKGROUND:

- 2.1 Public art is an integral factor in enhancing the physical, social and economic environment of Port Stephens. Public art has the potential to transform our places, create new experiences and celebrate our community identity.
- 2.2 A consistent approach to the management of public art provides clear processes to assist Council and the community develop high quality and place appropriate public art projects for the region.

3. SCOPE:

- 3.1 This policy applies to all and any public art projects located, or proposed, in the public domain.
- 3.2 The policy refers to the placement, procurement, approval and management of art works (temporary or permanent) and complementing urban design.
- 3.3 This policy relates to all Councillors and Council officers who are engaged in the process of approving public art, either through commission, direct purchase or donation.
- 3.4 The supporting Public Art Guidelines is to be used to guide a best practice approach to public art.

3.5 The policy applies to:

- a) Council-initiated public art projects
- b) Public art purchases
- c) Public art projects initiated by other Government agencies, private property developers, artists or the community
- d) Public art received as gifts, donations and bequests
- e) Existing public art in the public domain
- f) Development of Council's plans and strategies that relate to the public realm, including developer contributions and master planning, that provide opportunities to incorporate public art principles.

3.6 Council's Development Control Plan also provides for inclusion of public art into commercial and mixed-use development as part of the development consent process, depending on the scale of works proposed.

3.7 This policy does not apply to works that are solely commemorative in nature such as memorials or plaques. Such projects and proposals are considered in line with Council's Parks and Roadside Memorials Policy.

4. DEFINITIONS:

4.1 An outline of the key definitions of terms included in the policy.

Public Art	Artworks and one-off designs created for, or located in, a public space and readily accessible to members of the public. The work may be of a temporary or permanent nature.
Commission	A commission is a direct request to produce a piece of art specifically for Council's public art collection. A public art commission by Council is a contracted transaction.
Decommission	Decommissioning is the term used for permanent removal of a work of art from a public art installation or collection.
Public Domain	Public places and/or open spaces that are situated within, vested in or managed by Council. This includes parks, beaches, outdoor recreation facilities, streets, laneways, pathways and foreshore areas and public buildings, facilities or enclosed structures, owned and managed by Council that are physically accessible to the general public.

5. STATEMENT:

5.1 The key objectives of this policy are to:

- a) Establish a consistent process for the commissioning, approval and decommissioning of public art.
- b) Enhance the natural and built assets of Port Stephens by enlivening and enriching public spaces.
- c) Create a sense of identity about Port Stephens heritage, culture and lifestyle.
- d) Facilitate the integration of public art into relevant facilities and infrastructure projects.
- e) Develop and enhance opportunities and promotion of local artists.
- f) Provide a policy foundation to Council's Development Control Plan for the inclusion of public art into commercial and mixed-use development.

5.2 It is expected that the implementation of this policy will lead to:

- a) The planning of public art in Council's urban designs to improve the quality of community spaces, the public domain and to enhance the pedestrian streetscape experience.
- b) Identification of sites/zones for future public art works, appropriate asset management, including safety and maintenance.
- c) Effective community engagement and consultation to ensure the art work will have meaning and relevance to the site in which it is located.

5.3 Council officers are responsible for the commissioning, procurement and placement of public art should refer to the Public Art Guidelines. The guidelines provide a process through which Council can address public art procurement and planning, evaluation, appropriate asset management, decommissioning, safety and maintenance.

6. RESPONSIBILITIES:

6.1 The Community Development and Engagement unit manages, and provides technical advice and reports on public art as part of the cultural development program. It is the responsibility of other units across Council for implementing the policy and Public Art Guidelines.
